(57) **CLAIM**

The ornamental design for a night vision goggle, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a night vision goggle showing my new design;

FIG. 2 is a front elevational view thereof;

FIG. 3 is a rear elevational view thereof;

FIG. 4 is a left side elevational view thereof;

FIG. 5 is a right side elevational view thereof;

FIG. 6 is a top plan view thereof;

FIG. 7 is a bottom plan view thereof; and,

FIG. 8 is another perspective view of the night vision goggle shown in FIG. 1.

The broken lines in the drawings depict portions of the night vision goggle that form no part of the claimed design.
