(57) **CLAIM**

The ornamental design for a tire, as shown and described.

**DESCRIPTION**

FIG. 1 is a front left perspective view of a first embodiment of a tire showing the new design, the opposite side perspective being identical thereto, it being understood that the dashed lines form no part of the claimed design;

FIG. 2 is a front elevation view thereof, it being understood that the dashed lines form no part of the claimed design;

FIG. 3 is a left elevation view thereof, it being understood that the dashed lines form no part of the claimed design;

FIG. 4 is a sectional view taken along line 4-4 of the tire shown in FIG. 2;

FIG. 5 is a front left perspective view of a second embodiment of the tire showing the new design, it being understood that the dashed lines form no part of the claimed design, the opposite side perspective being identical thereto;

FIG. 6 is a front elevation view thereof, it being understood that the dashed lines form no part of the claimed design;

FIG. 7 is a left elevation view thereof, it being understood that the dashed lines form no part of the claimed design; and,

FIG. 8 is a sectional view taken along line 8-8 of the tire shown in FIG. 6, it being understood that the dashed lines form no part of the claimed design.
