DESCRIPTION

See application file for complete search history.

The patent or application file contains at least one drawing
executed in color. Copies of this patent or patent application
publication with color drawing(s) will be provided by the
Office upon request and payment of the necessary fee.

FIG. 1 is a top perspective view of the defibrillator showing
the new design;

FIG. 2 is a bottom perspective view thereof;

FIG. 3 is a top view thereof;

FIG. 4 is a bottom view thereof;

FIG. 5 is a front view thereof, the back view thereof being
identical to the front view thereof; and,

FIG. 6 is a left view thereof, the right view thereof being
identical to the left view thereof.
