(57) **CLAIM**

The ornamental design for a multi-fold bed siderail work table for an electrical vehicle, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a multi-fold bed siderail work table for an electrical vehicle, in a stowed position; FIG. 2 is a perspective view of a multi-fold bed siderail work table for an electrical vehicle, in a deployed position but not fully unfolded; and,

FIG. 3 is a perspective view of a multi-fold bed siderail work table for an electrical vehicle, in a deployed position and fully unfolded.

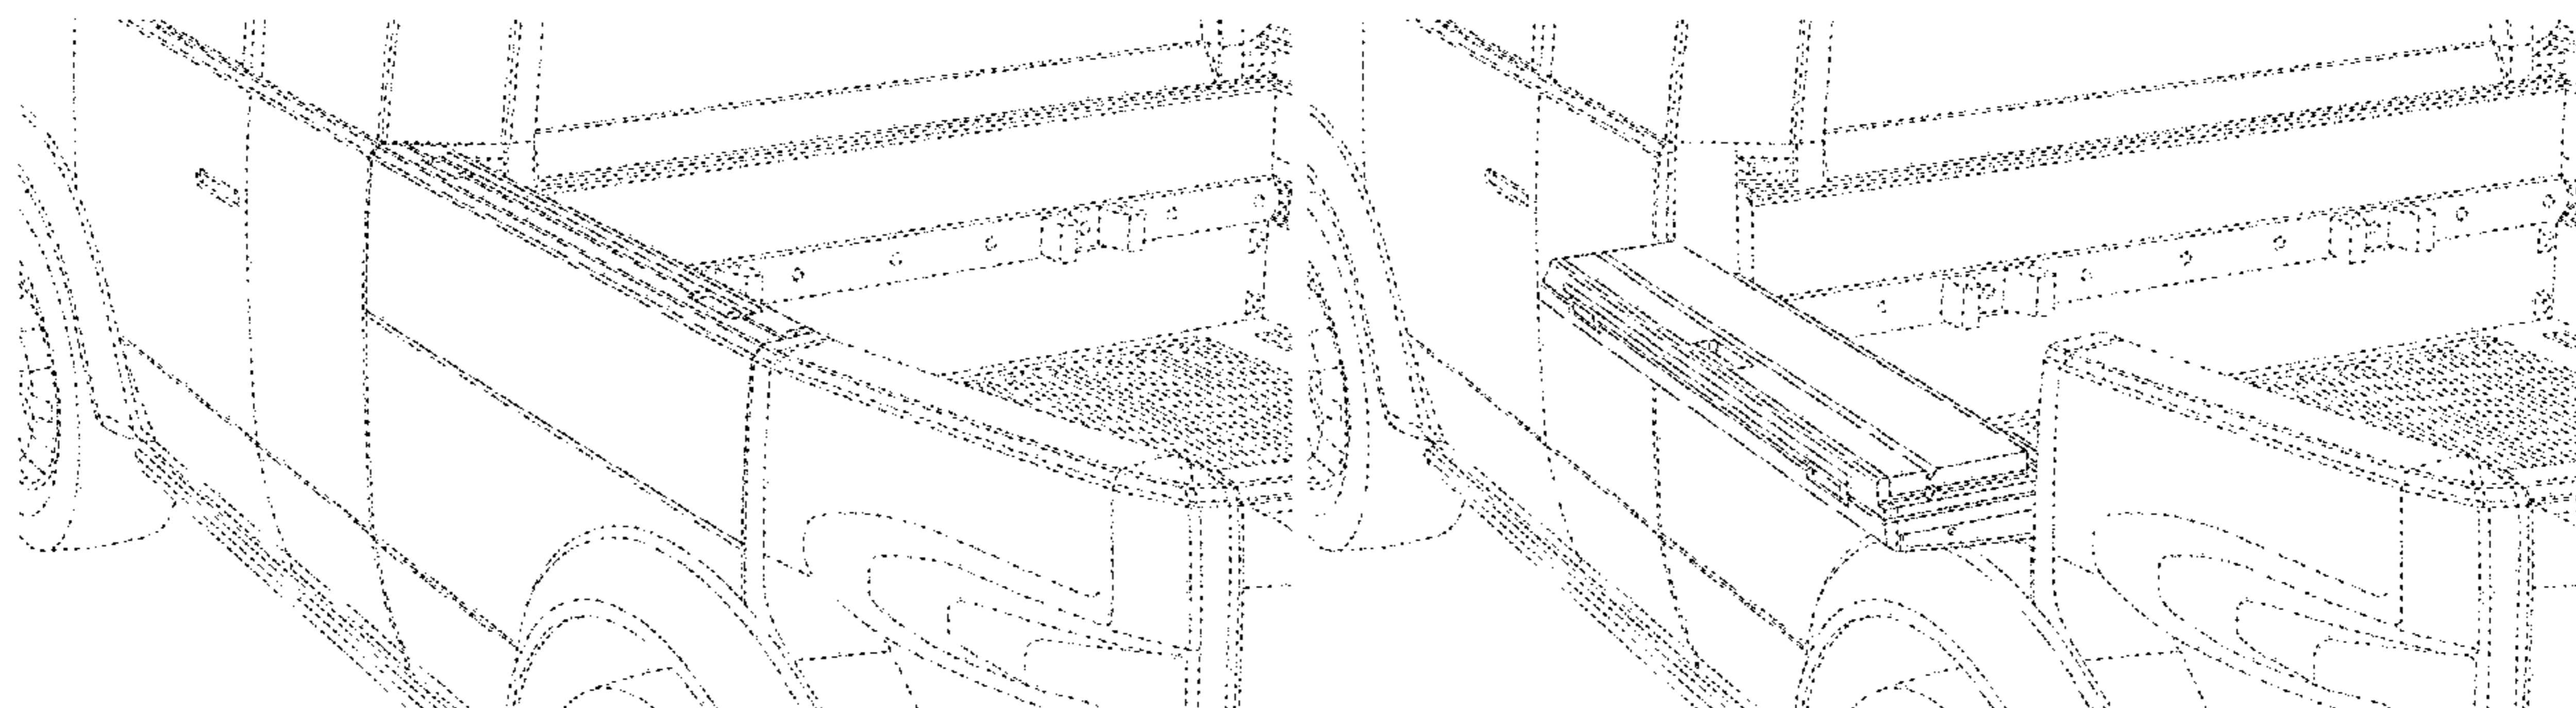

The broken lines present in the drawings are included for the purpose of illustrating portions of the article which form no part of the claimed design.
