(57) **CLAIM**

The ornamental design for a display or portion thereof with graphical user interface, as shown and described.

DESCRIPTION

The FIGURE is a front view of a display or portion thereof with graphical user interface showing the claimed design. The outer broken lines in the FIGURE show a display or portion thereof, and form no part of the claimed design. The other broken lines in the FIGURE show portions of the graphical user interface that form no part of the claimed design.
