(57) **CLAIM**

The ornamental design for a catheter securement pad, as shown and described.

DESCRIPTION

FIG. 1 is an exploded perspective view showing a catheter securement pad;
FIG. 2 is a top view of the catheter securement pad with the peel-off layers removed for ease of illustration;
FIG. 3 is a bottom view of the catheter securement pad with the peel-off layers removed for ease of illustration;
FIG. 4 is a left side view of the catheter securement pad with the peel-off layers removed for ease of illustration;
FIG. 5 is a right side view of the catheter securement pad with the peel-off layers removed for ease of illustration;
FIG. 6 is a front view of the catheter securement pad with the peel-off layers removed for ease of illustration; and,
FIG. 7 is a rear view of the catheter securement pad with the peel-off layers removed for ease of illustration.
The broken lines show portions of the catheter securement pad that form no part of the claimed design.
