(57) **CLAIM**

The ornamental design for a combustion container panel, as shown and described.

DESCRIPTION

FIG. 1 is a front perspective view of a combustion container panel, showing my new design;
FIG. 2 is rear perspective view of the combustion container panel;
FIG. 3 is a front view of the combustion container panel;
FIG. 4 is a rear view of the combustion container panel;
FIG. 5 is a left side view of the combustion container panel;
FIG. 6 is right side view of the combustion container panel;
FIG. 7 is a top view of the combustion container panel; and,
FIG. 8 is a bottom view of the combustion container panel.
The broken lines in the drawings depict portions of the combustion container panel and form no part of the claimed design.

1 Claim, 6 Drawing Sheets
