(57) **CLAIM**

We claim the ornamental design for a multi voltage power panel and power distribution center, as shown and described.

DESCRIPTION

FIG. **1** is a front perspective view of a multi voltage power panel and power distribution center;
FIG. **2** is a front view thereof;
FIG. **3** is a rear view thereof;
FIG. **4** is a left side view thereof;
FIG. **5** is a right side view thereof;
FIG. **6** is a top plan thereof; and,
FIG. **7** is a bottom plan thereof.
The broken lines in the drawings illustrate portions of the multi voltage power panel and power distribution center that form no part of the claimed design.
