The ornamental design for a display panel with a computer generated icon, as shown and described.

**DESCRIPTION**

The patent or application file contains at least one drawing executed in color. Copies of this patent or patent application publication with color drawing(s) will be provided by the Office upon request and payment of the necessary fee.

The FIGURE is a front view of a display panel with a computer generated icon showing my design.

The broken lines in the drawings depict parts of the ornamental design that form no part of the claimed design.
