(57) **CLAIM**

We claim the ornamental design for a display screen or portion thereof with graphical user interface, as shown and described.

**DESCRIPTION**

FIG. 1 is a front view of a display screen or portion thereof with graphical user interface showing our new design in accordance to a first embodiment; and, FIG. 2 is a front view of a display screen or portion thereof with graphical user interface showing our new design in accordance to a second embodiment.

The outer perimeter illustrated by a pair of dashed broken lines in the drawings illustrates a display screen or portion thereof and forms no part of the claimed design. The remaining broken lines in the drawings depict portions of the graphical user interface which form no part of the claimed design.
