(57) **CLAIM**

The ornamental design for a quick connector for a tie down
rewinder, as shown.

DESCRIPTION

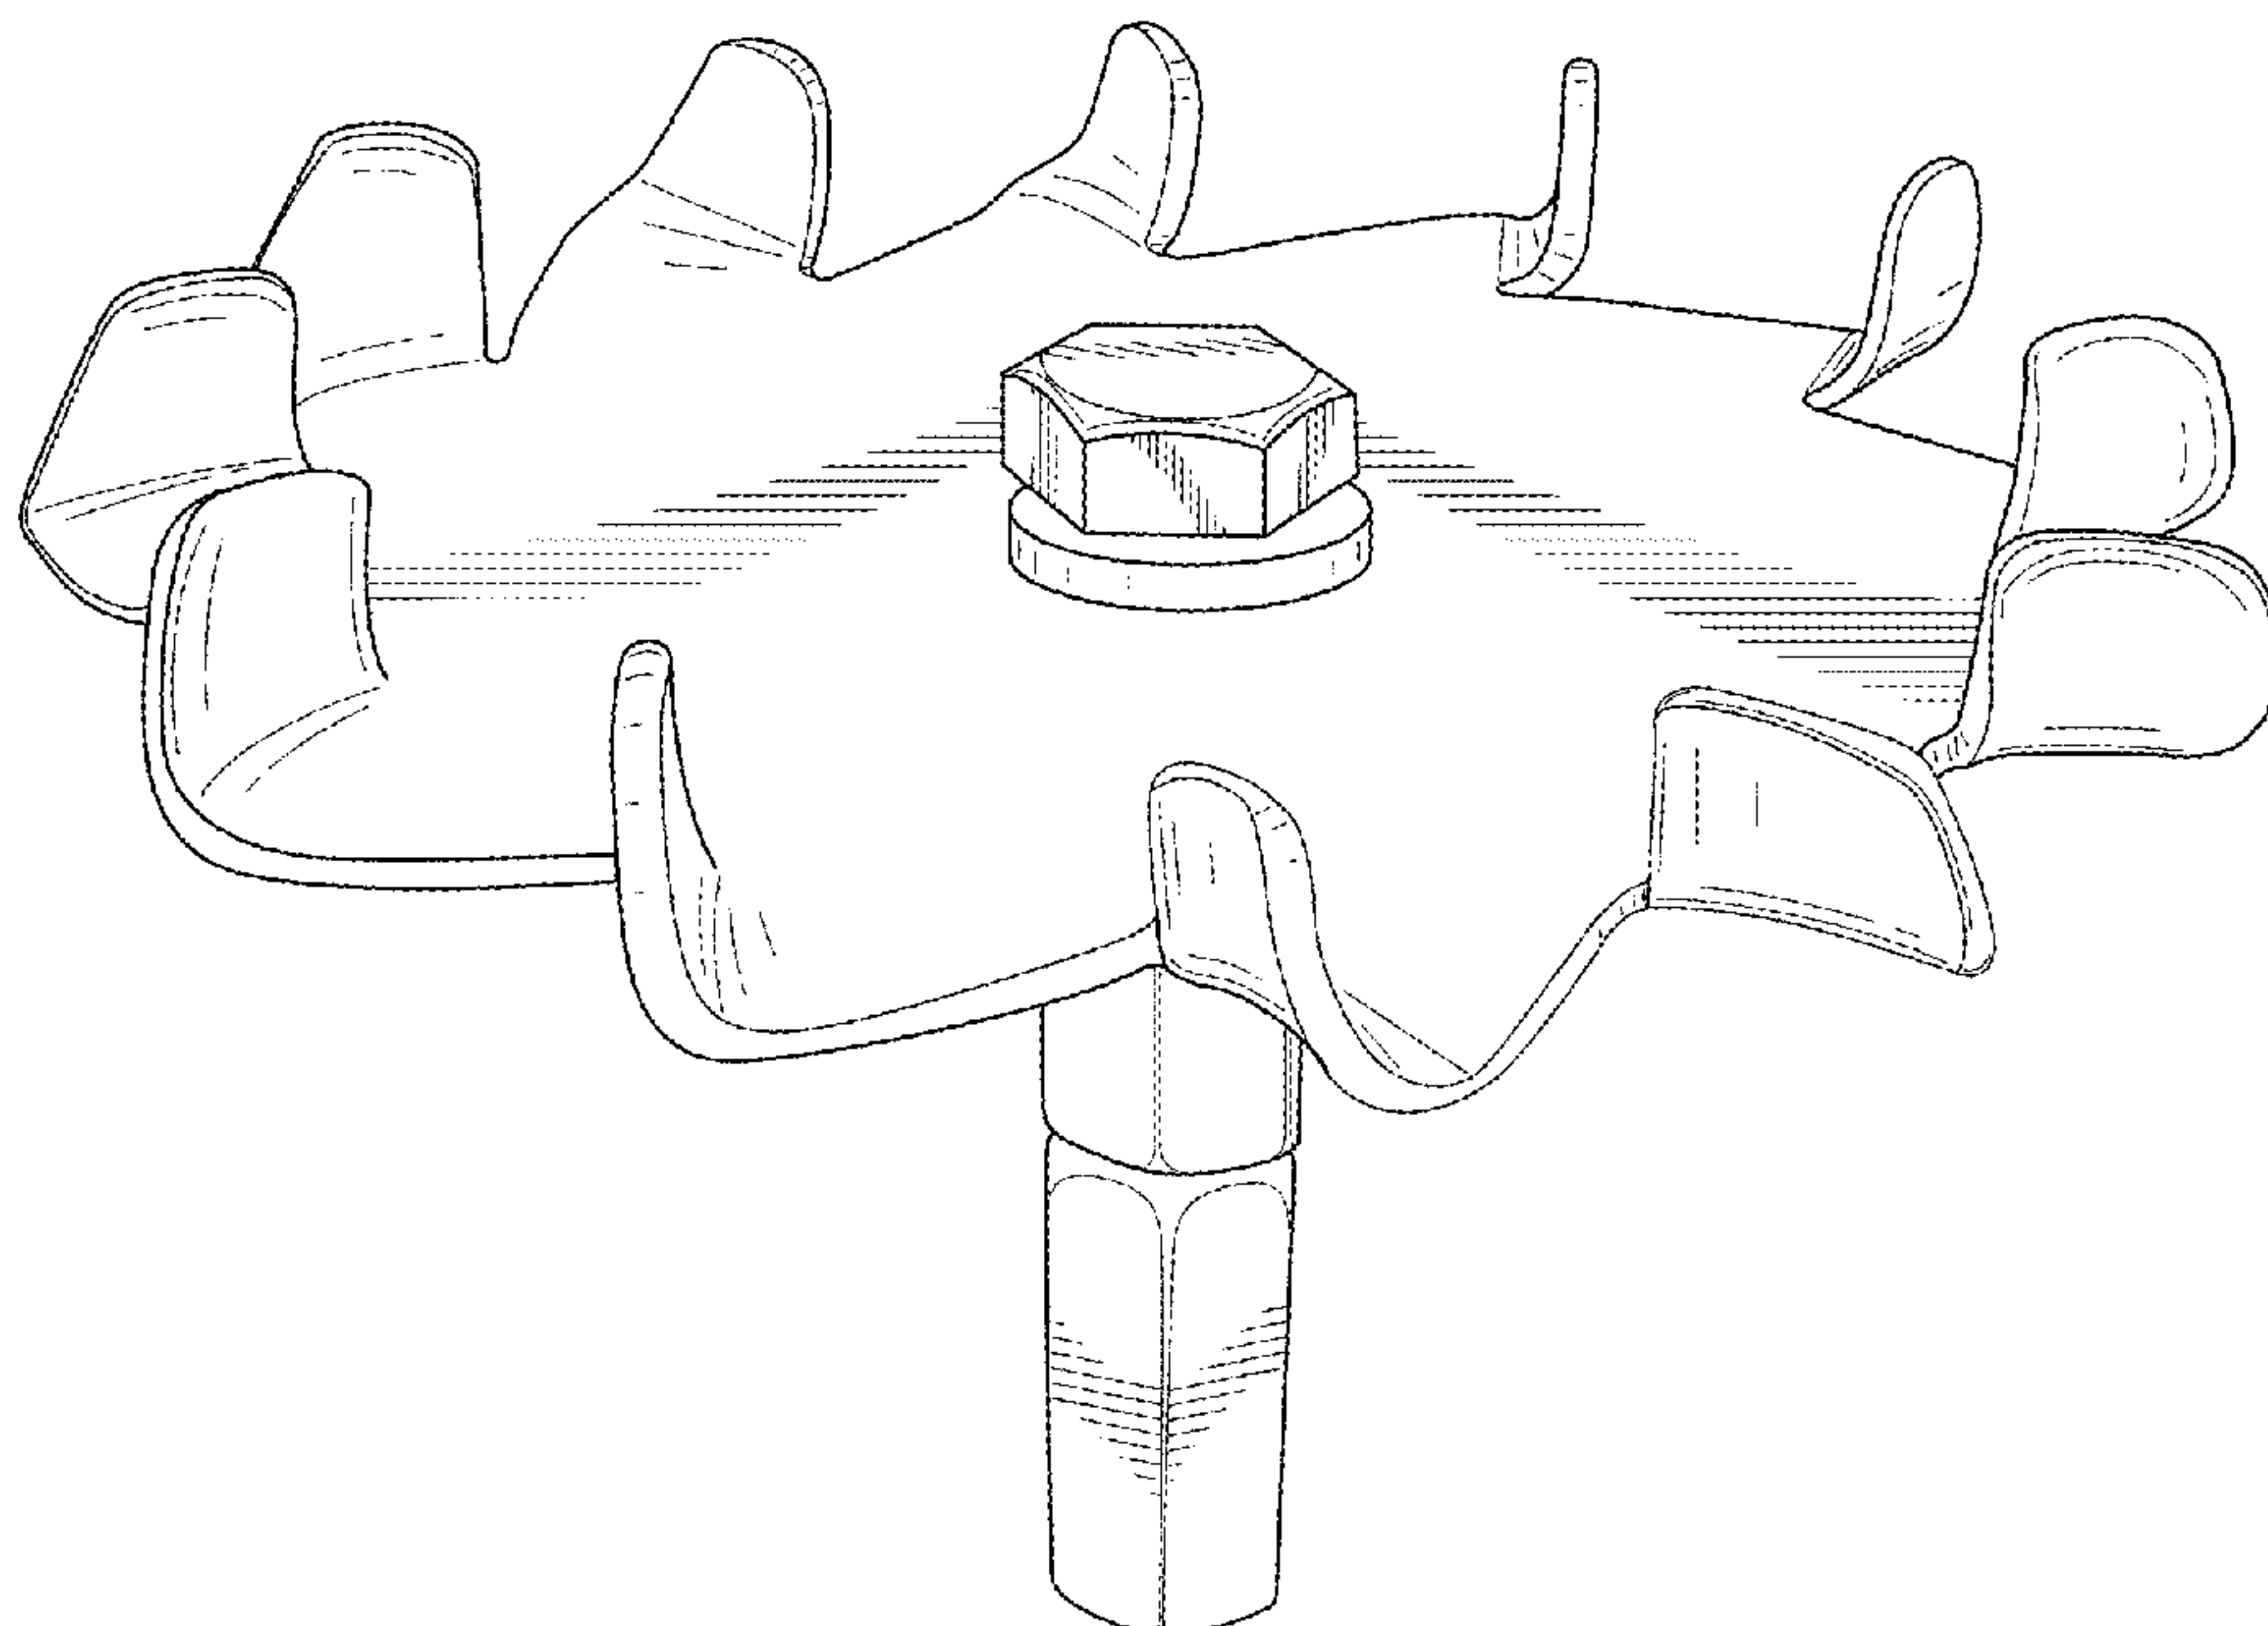

FIG. 1 is a perspective view of a quick connector shown in
use on a tie down rewinder.

FIG. 2 is a front perspective view of the quick connector;
FIG. 3 is a bottom view of the quick connector;
FIG. 4 is a plan view of the quick connector;
FIG. 5 is a front elevation view of the quick connector which
is a mirror image of the back side elevation view of the quick
connector; and,

FIG. 6 is a right side elevation view of the quick connector
which is a mirror image of the back side elevation view of
the quick connector.

The broken lines shown in FIG. 1 depict environmental
subject matter that forms no part of the claimed design.
