DESCRIPTION

(58) **Field of Classification Search**
USPC D14/485–495
CPC G06F 3/048–04897
See application file for complete search history.

The patent or application file contains at least one drawing executed in color. Copies of this patent or patent application publication with color drawing(s) will be provided by the Office upon request and payment of the necessary fee. FIGURE is a front view of a display panel or screen with a graphical user interface showing our new design. The even-dash broken lines illustrate portions of the display panel or screen with graphical user interface and portions of an electronic device. The dot-dash broken lines illustrate boundaries of the claimed design. None of the broken lines form part of the claimed design.
