(57) **CLAIM**

The ornamental design for a display portion with graphical user interface, as shown and described.

DESCRIPTION

FIG. 1 is a front view of a display portion with graphical user interface, showing my new design; and, FIG. 2 is a front view of a second embodiment of a display portion with graphical user interface, also showing my new design.

The outermost broken lines show a display portion and form no part of the claimed design. The remaining broken lines show elements of the graphical user interface that form no part of the claimed design.
