(57) **CLAIM**

We claim the ornamental design for a dashboard with graphical user interface, as shown and described.

DESCRIPTION

FIG. 1 is a front elevational view of a dashboard with graphical user interface showing our new design; and, FIG. 2 is an enlarged view of the encircled portion 2 in FIG. 1.

The evenly-dashed broken lines in the figures depict portions of the dashboard with graphical user interface which form no part of the claimed design.

The outer perimeter rectangular solid-line frame enclosing the graphical user interface illustrates a display screen.

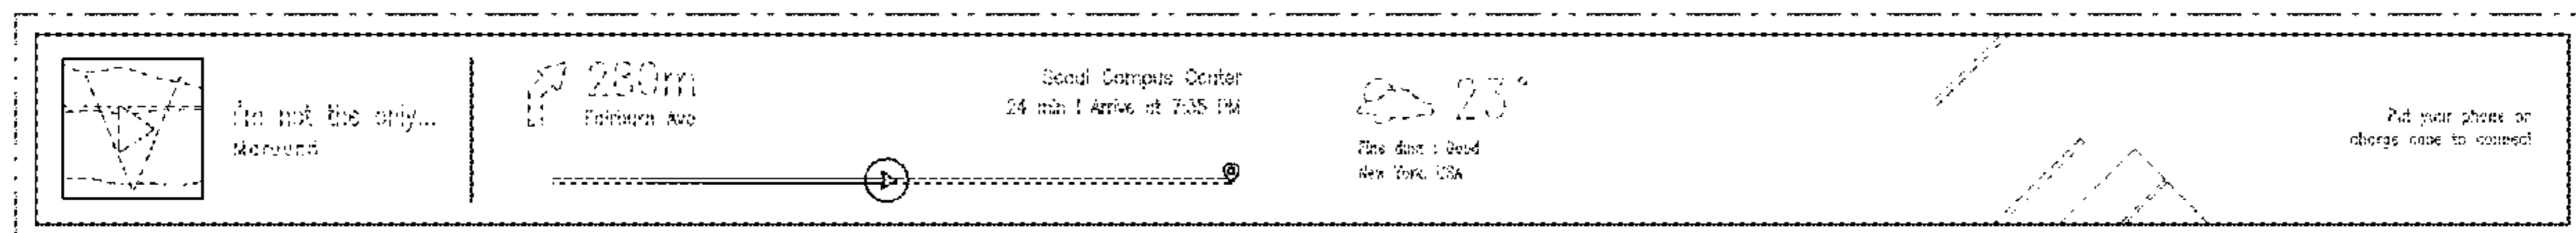

The dot-dot-dash broken lines indicate portions of the claimed design that are illustrated in enlargements. The dot-dot-dash broken lines form no part of the claimed design.
