CLAIM

The ornamental design for a blister pack packaging blank, as shown and described.

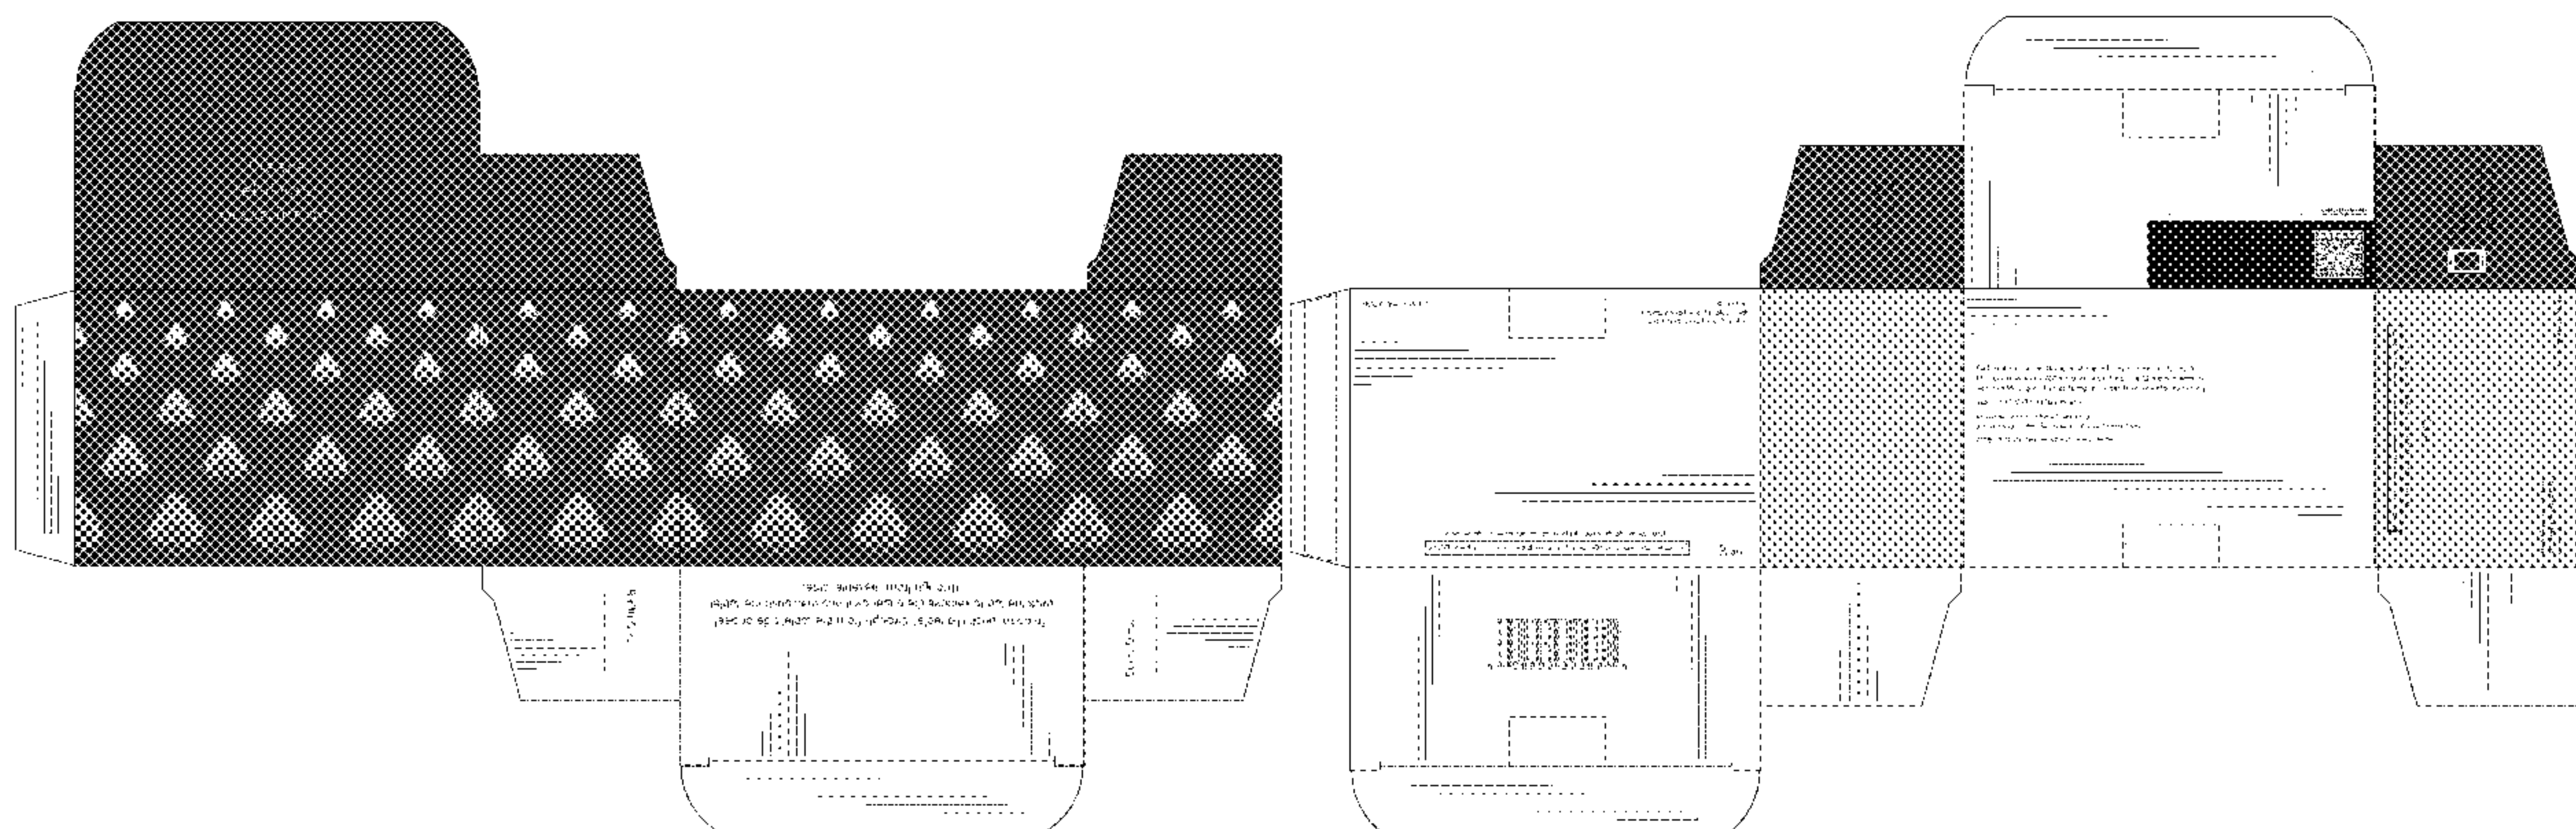

DESCRIPTION

The patent file contains at least one drawing executed in color. Copies of this patent with color drawings will be provided by the Office upon request and payment of the necessary fee.

FIG. 1 is a top view of a blister pack packaging blank according to our new design; and, FIG. 2 is a bottom view thereof.

The broken lines represent text and other surface features on the blister pack packaging blank that form no part of the claimed design.
