(57) **CLAIM**  
The ornamental design for a raised hearth pad, as shown and described.

**DESCRIPTION**  
FIG. 1 is a front elevational perspective view of a mid-wall hearth pad showing my new design;  
FIG. 2 is a front edge view of a hearth pad showing my new design;  
FIG. 3 is a right edge view of a hearth pad showing my new design; and,  
FIG. 4 is a left edge view of a hearth pad showing my new design.  
The claimed raised hearth pad is an insulated surface on which a stove or other heating device is placed which gives the impression of being made of stone the thickness of the hearth pad.  
Broken lines are included for the purpose of illustrating environmental structure of the article having the claimed design and form no part of the claimed design.

**1 Claim, 2 Drawing Sheets**
