Primary Examiner — Darcey E Gottschalk

(57) **CLAIM**

I claim the ornamental design for a release paper for wound treatment devices, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of an ornamental release paper for wound treatment devices in accordance with a third embodiment of the present invention showing my new design;

FIG. 2 is an underside plan view thereof;

FIG. 3 is a top plan view thereof;

FIG. 4 is a front elevation thereof;

FIG. 5 is a rear elevation thereof;

FIG. 6 is a left side elevation thereof; and,

FIG. 7 is a right side elevation thereof.

In the drawings, the evenly-spaced broken lines show portions of a release paper for wound treatment devices that form no part of the claim; the dash-dot-dash lines represent boundaries of the claimed design and form no part thereof. The release paper is for wound treatment devices with a symbolic break in its length. The appearance of any portion of the article between the break lines forms no part of the claimed design.

1 Claim, 3 Drawing Sheets
