(57) **CLAIM**

The ornamental design for a video borescope, as shown and described.

DESCRIPTION

FIG. **1** is an isometric view of a video borescope showing our new design;
FIG. **2** is a right view of the video borescope of FIG. **1**;
FIG. **3** is a left view of the video borescope of FIG. **1**;
FIG. **4** is a bottom view of the video borescope of FIG. **1**;
FIG. **5** is a top view of the video borescope of FIG. **1**;
FIG. **6** is a front view of the video borescope of FIG. **1**; and,
FIG. **7** is a back view of the video borescope of FIG. **1**.
The broken lines shown in the drawings represent portions of the video borescope that form no part of the claimed design.
