(57) **CLAIM**

The ornamental design for an electronic device clip, as shown and described.

DESCRIPTION

FIG. 1 is a top, perspective view of the electronic device clip according to the new design.

FIG. 2 is a bottom, perspective view of the electronic device clip according to the new design.

FIG. 3 is a front view of the electronic device clip according to the new design.

FIG. 4 is a rear view of the electronic device clip according to the new design.

FIG. 5 is right side view of the electronic device clip according to the new design.

FIG. 6 is left side view of the electronic device clip according to the new design.

FIG. 7 is bottom view of the electronic device clip according to the new design; and,

FIG. 8 is top view of the electronic device clip according to the new design.

The broken lines depict portions of the article that form no part of the claimed design.

1 Claim, 5 Drawing Sheets
