(57) **CLAIM**

The ornamental design for a firearm holster support, as shown and described.

DESCRIPTION

FIG. 1 is a side perspective view of a firearm holster support in accordance with the present design.

FIG. 2 is a front view for the firearm holster support in accordance with the present design.

FIG. 3 is a rear view for the firearm holster support in accordance with the present design.

FIG. 4 is a top view for the firearm holster support in accordance with the present design.

FIG. 5 is a bottom view for the firearm holster support in accordance with the present design.

FIG. 6 is a right side view of the firearm holster support in accordance with the present design.

FIG. 7 is a left side view for the firearm holster support in accordance with the present design.

FIG. 8 is a front view of a representative firearm that can be used with the firearm holster support in an environment.

FIG. 9 is a front view of the firearm holster support shown in a user configuration with environment; and,

FIG. 10 is a front view of an assembly of the representative firearm shown in FIG. 8 secured within the firearm holster support shown in a user configuration with environment.

The broken lines that depict portions of the firearm holster support form no part of the claimed design. The broken lines in FIGS. 8-10 depict environment of a firearm or firearm holster that form no part of the claimed design.

1 Claim, 6 Drawing Sheets
