(Continued)

The ornamental design that is claimed is shown in the
drawings as solid lines and surfaces having surface shading.
The broken lines in the drawings are for illustrative purposes
only and form no part of the claimed design. For example,
broken lines formed by equal length dashes show unclaimed
portions of the design. Broken lines formed of unequal
length dashes (i.e., dash-dot) show boundaries between
either claimed and unclaimed portions of the design or
between unclaimed and unclaimed portions of the design.
Break lines having a jagged element are not part of the
claimed design and show unspecified lengths of the portion
are possible. The appearance of any portion of the article
between the break lines forms no part of the claimed design.
