(57) **CLAIM**
The ornamental design for a package with surface ornamentation or display screen with icon, as shown and described.

DESCRIPTION

The FIGURE is a front view of the claimed design for a package with surface ornamentation or display screen with icon.
The uneven-length broken lines immediately adjacent to the claimed area depict boundaries of the claimed design and form no part thereof. The even length broken lines showing the package or display screen form no part of the claimed design. The areas within the solid circles form no part of the claimed design.
