(57) **CLAIM**

The ornamental design for a package with surface ornamentation or display screen with icon, as shown and described.

DESCRIPTION

The FIGURE is a front view of the claimed design for a package with surface ornamentation or display screen with icon.

The uneven length broken lines immediately adjacent to the claimed area showing the package or display screen depict boundaries of the claimed design and form no part thereof. The even length broken lines showing text form no part of the claimed design. The region within the even length broken lines and the region between the even length broken lines and uneven length broken lines form no part of the claimed design.

1 Claim, 1 Drawing Sheet
