(57) **CLAIM**

The ornamental design for an assay device, as shown and described.

DESCRIPTION

FIG. 1 is a front view showing a new design of an assay device.
FIG. 2 is a left view showing the new design of the assay device.
FIG. 3 is a right view showing the new design of the assay device.
FIG. 4 is a back view showing the new design of the assay device.
FIG. 5 is an enlarged top view showing the new design of the assay device; and,
FIG. 6 is an enlarged bottom view showing the new design of the assay device.
The broken lines depict portions of the assay device that form no part of the claimed design.

1 Claim, 6 Drawing Sheets
