(57) **CLAIM**

The ornamental design for equipment for distribution or control of electrical power, as shown and described.

DESCRIPTION

FIG. 1 illustrates a front side perspective view of equipment for distribution or control of electric power.

FIG. 2 illustrates a front side view of the equipment shown in FIG. 1.

FIG. 3 illustrates a left side view of the equipment shown in FIG. 1.

FIG. 4 illustrates a right side view of the equipment shown in FIG. 1.

FIG. 5 illustrates a rear side view of the equipment shown in FIG. 1.

FIG. 6 illustrates a top side view of the equipment shown in FIG. 1; and,

FIG. 7 illustrates a bottom side view of the equipment shown in FIG. 1.

The broken lines in the drawings illustrate portions of the equipment for distribution or control of electric power that form no part of the claimed design.
