(57) **CLAIM**

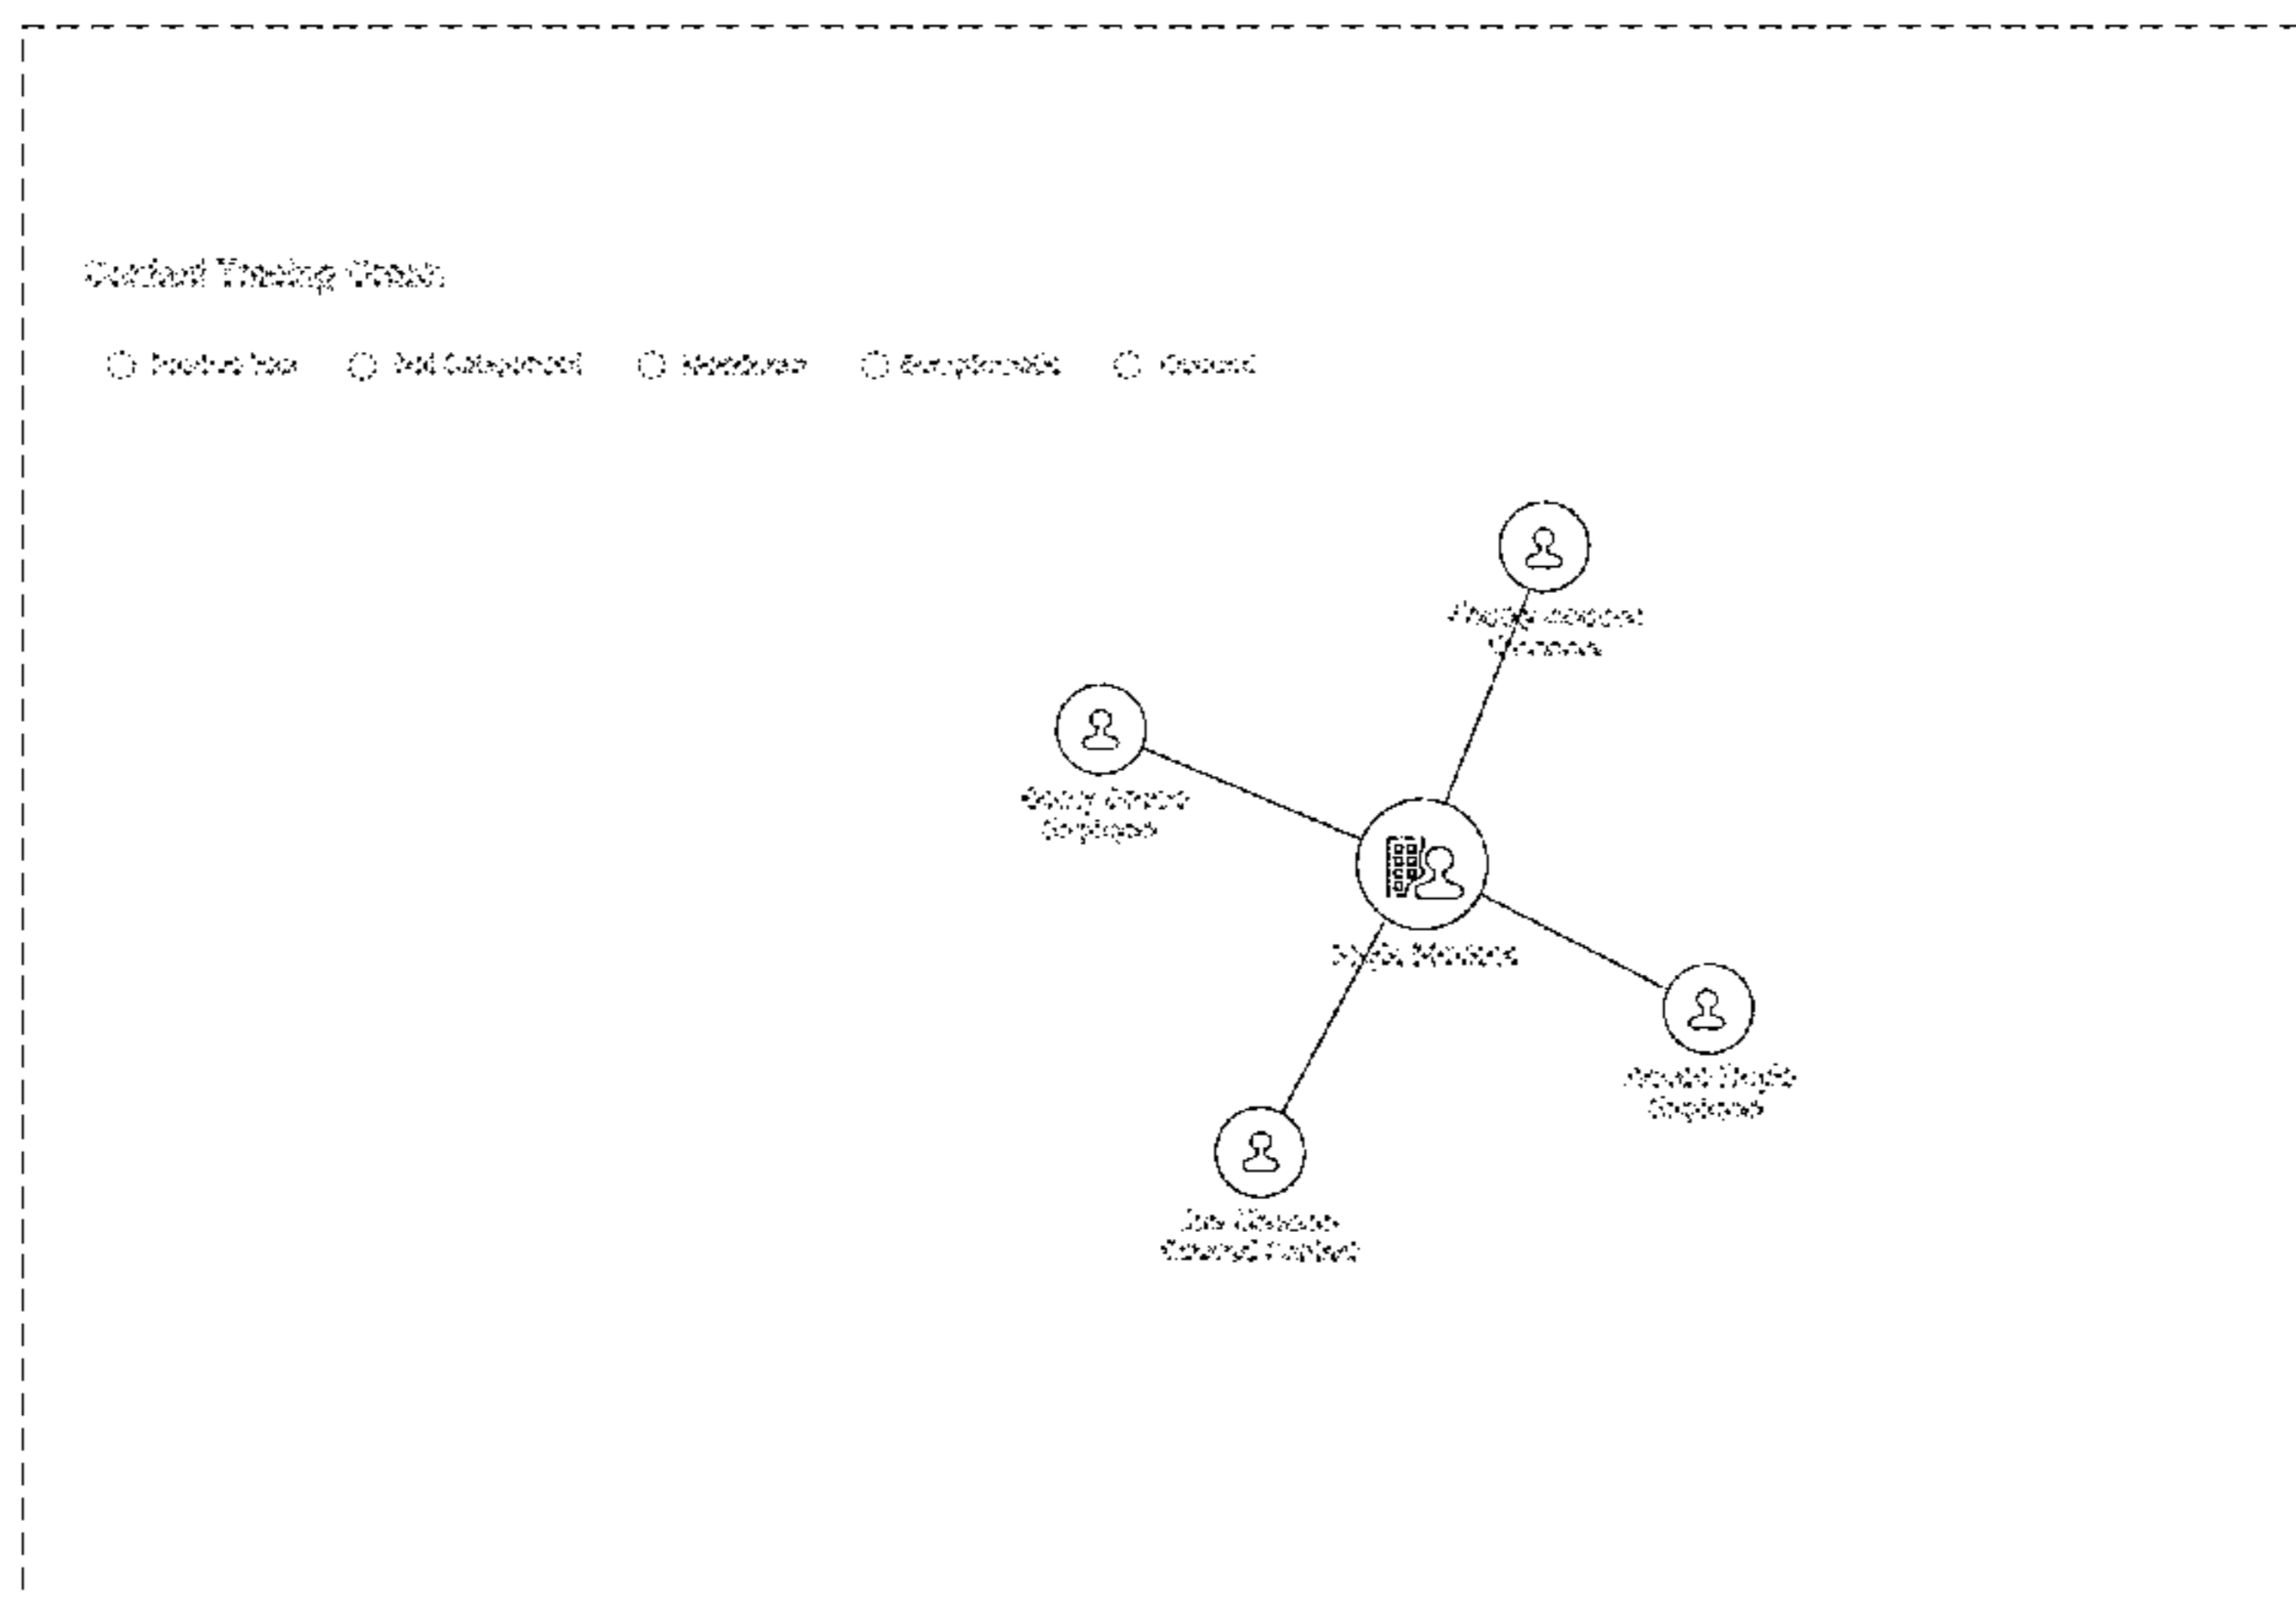

The ornamental design for a display screen or portion thereof with graphical user interface, as shown and described.

DESCRIPTION

The FIGURE is a front view of a display screen or portion thereof with graphical user interface showing the claimed design.

The outermost dashed broken lines in the FIGURE show a display screen or portion thereof, and form no part of the claimed design. The other dashed broken lines in the FIGURE show text, graphics, and other elements that form no part of the claimed design.
