(Continued)

The appearance of the transitional image sequentially transitions between the images shown in FIGS. 1-5, respectively. The process or period in which one image transitions to another forms no part of the claimed design.

The outer perimeters illustrated by broken lines in FIGS. 1-5 depict a display screen or portion thereof and form no part

(Continued)

of the claimed design. The remaining broken lines depict portions of the graphical user interface that form no part of the claimed design.

1 Claim, 5 Drawing Sheets
