(57) **CLAIM**

We claim the ornamental design for an electrode stimulation applicator patch, as shown and described.

**DESCRIPTION**

FIG. 1 is a perspective view of an electrode stimulation applicator patch showing the claimed design.

FIG. 2 is a bottom plan view of the electrode stimulation applicator patch thereof.

FIG. 3 is a top plan view of the electrode stimulation applicator patch thereof.

FIG. 4 is a front elevational view of the electrode stimulation applicator patch thereof.

FIG. 5 is a rear elevational view of the electrode stimulation applicator patch thereof.

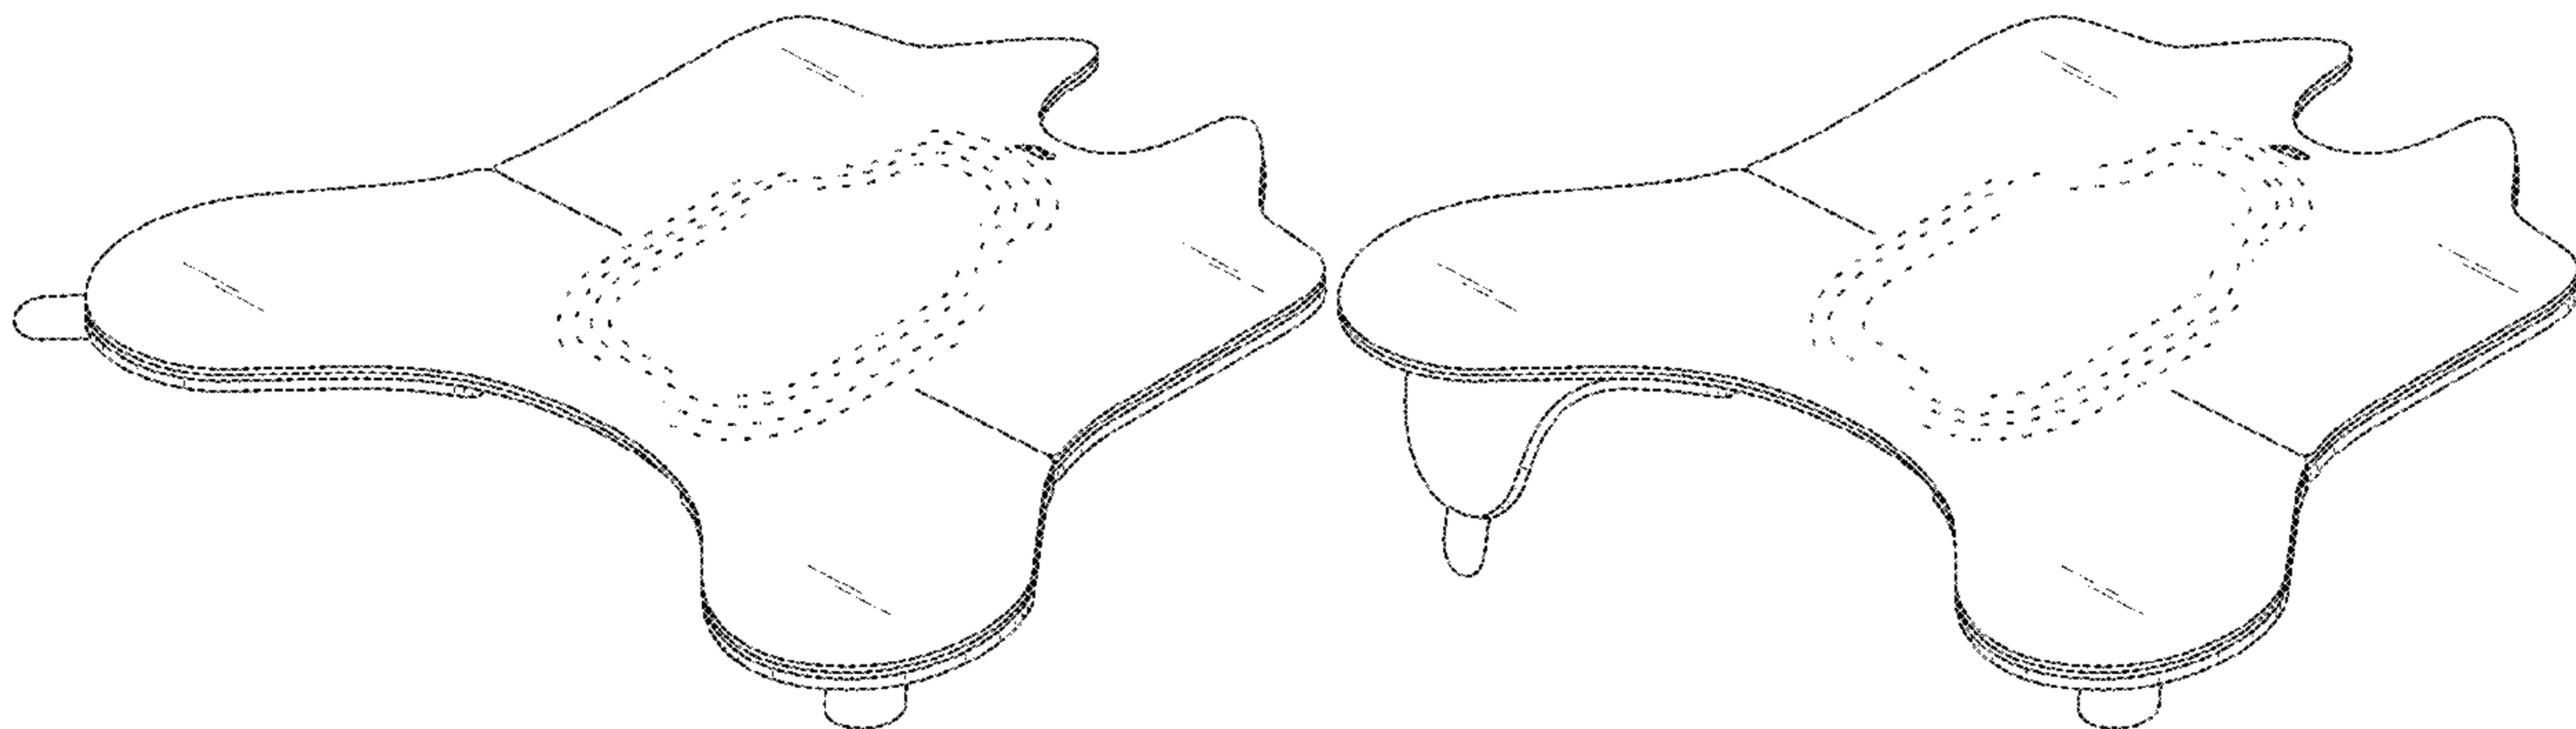

FIG. 6 is a right side elevational view of the electrode stimulation applicator patch thereof.

FIG. 7 is a left side elevational view of the electrode stimulation applicator patch thereof; and,

FIG. 8 is a perspective view of the electrode stimulation applicator patch with a gel pad partially peeled back.

The broken lines in the drawings depict portions of the electrode stimulation applicator patch and form no part of the claimed design.
