(57) **CLAIM**

The ornamental design for a shoe sole, as shown and described.

DESCRIPTION

FIG. 1 is a side perspective view of a shoe sole in accordance with my new design; and, FIG. 2 is a side view of the embodiment shown in FIG. 1. The broken lines shown in the drawings represent portions of the shoe sole that form no part of the claimed design. The dot-dash broken lines represent portions of a shoe sole and environmental structure in the form of a shoe upper that form no part of the claimed design. The surfaces devoid of photographic surface form no part of the claimed design. The consistent length broken lines represent environmental structure in the form of a shoe upper as well as portions of the shoe sole that form no part of the claimed design. The dot-dash broken lines represent the boundaries of the claimed design and also form no part of the claimed design. The surfaces devoid of photographic surface form no part of the claimed design.

1 Claim, 2 Drawing Sheets
