(57) **CLAIM**

The ornamental design for a rapid diagnostic test card with a right sided quick response code and aruco target placement for a test sample, as shown and described.

DESCRIPTION

FIG. 1 is a front view of a first embodiment of a rapid diagnostic test card showing my new design; and, FIG. 2 is a front view of a second embodiment of a rapid diagnostic test card showing my new design. The dash-dash broken lines shown in the drawings depict portions of the rapid diagnostic test card in which the design is embodied that form no part of the claimed design. The dot-dash broken lines represent boundaries to the claim and form no part of the claimed design.

1 Claim, 2 Drawing Sheets
