(57) **CLAIM**

The ornamental design for a safety lockout device for an electrical switch, as shown and described.

**DESCRIPTION**

FIG. 1 is a first front perspective view of a first embodiment of a safety lockout device for an electrical switch; FIG. 2 is a second front perspective view thereof; FIG. 3 is a first back perspective view thereof; FIG. 4 is a side elevation view thereof; FIG. 5 is a front elevation view thereof; FIG. 6 is a back elevation view thereof; FIG. 7 is a top side elevation view thereof; and, FIG. 8 is a bottom side elevation view thereof. The broken lines in the drawings are for the purpose of illustrating environmental structure that form no part of the claimed design.
