(Continued)

FIG. 1 is a perspective view of a support for electric devices showing our new design;

FIG. 2 is another perspective view of the support for electric devices;

FIG. 3 is a front view thereof;

FIG. 4 is a back view thereof;

FIG. 5 is a right side view thereof;

FIG. 6 is a left side view thereof;

FIG. 7 is a top view thereof;

FIG. 8 is a bottom view thereof;

FIG. 9 is a perspective view showing an alternative configuration where the support for electric devices is partially folded;

FIG. 10 is a perspective view showing a second alternative configuration where the support for electric devices is partially folded;

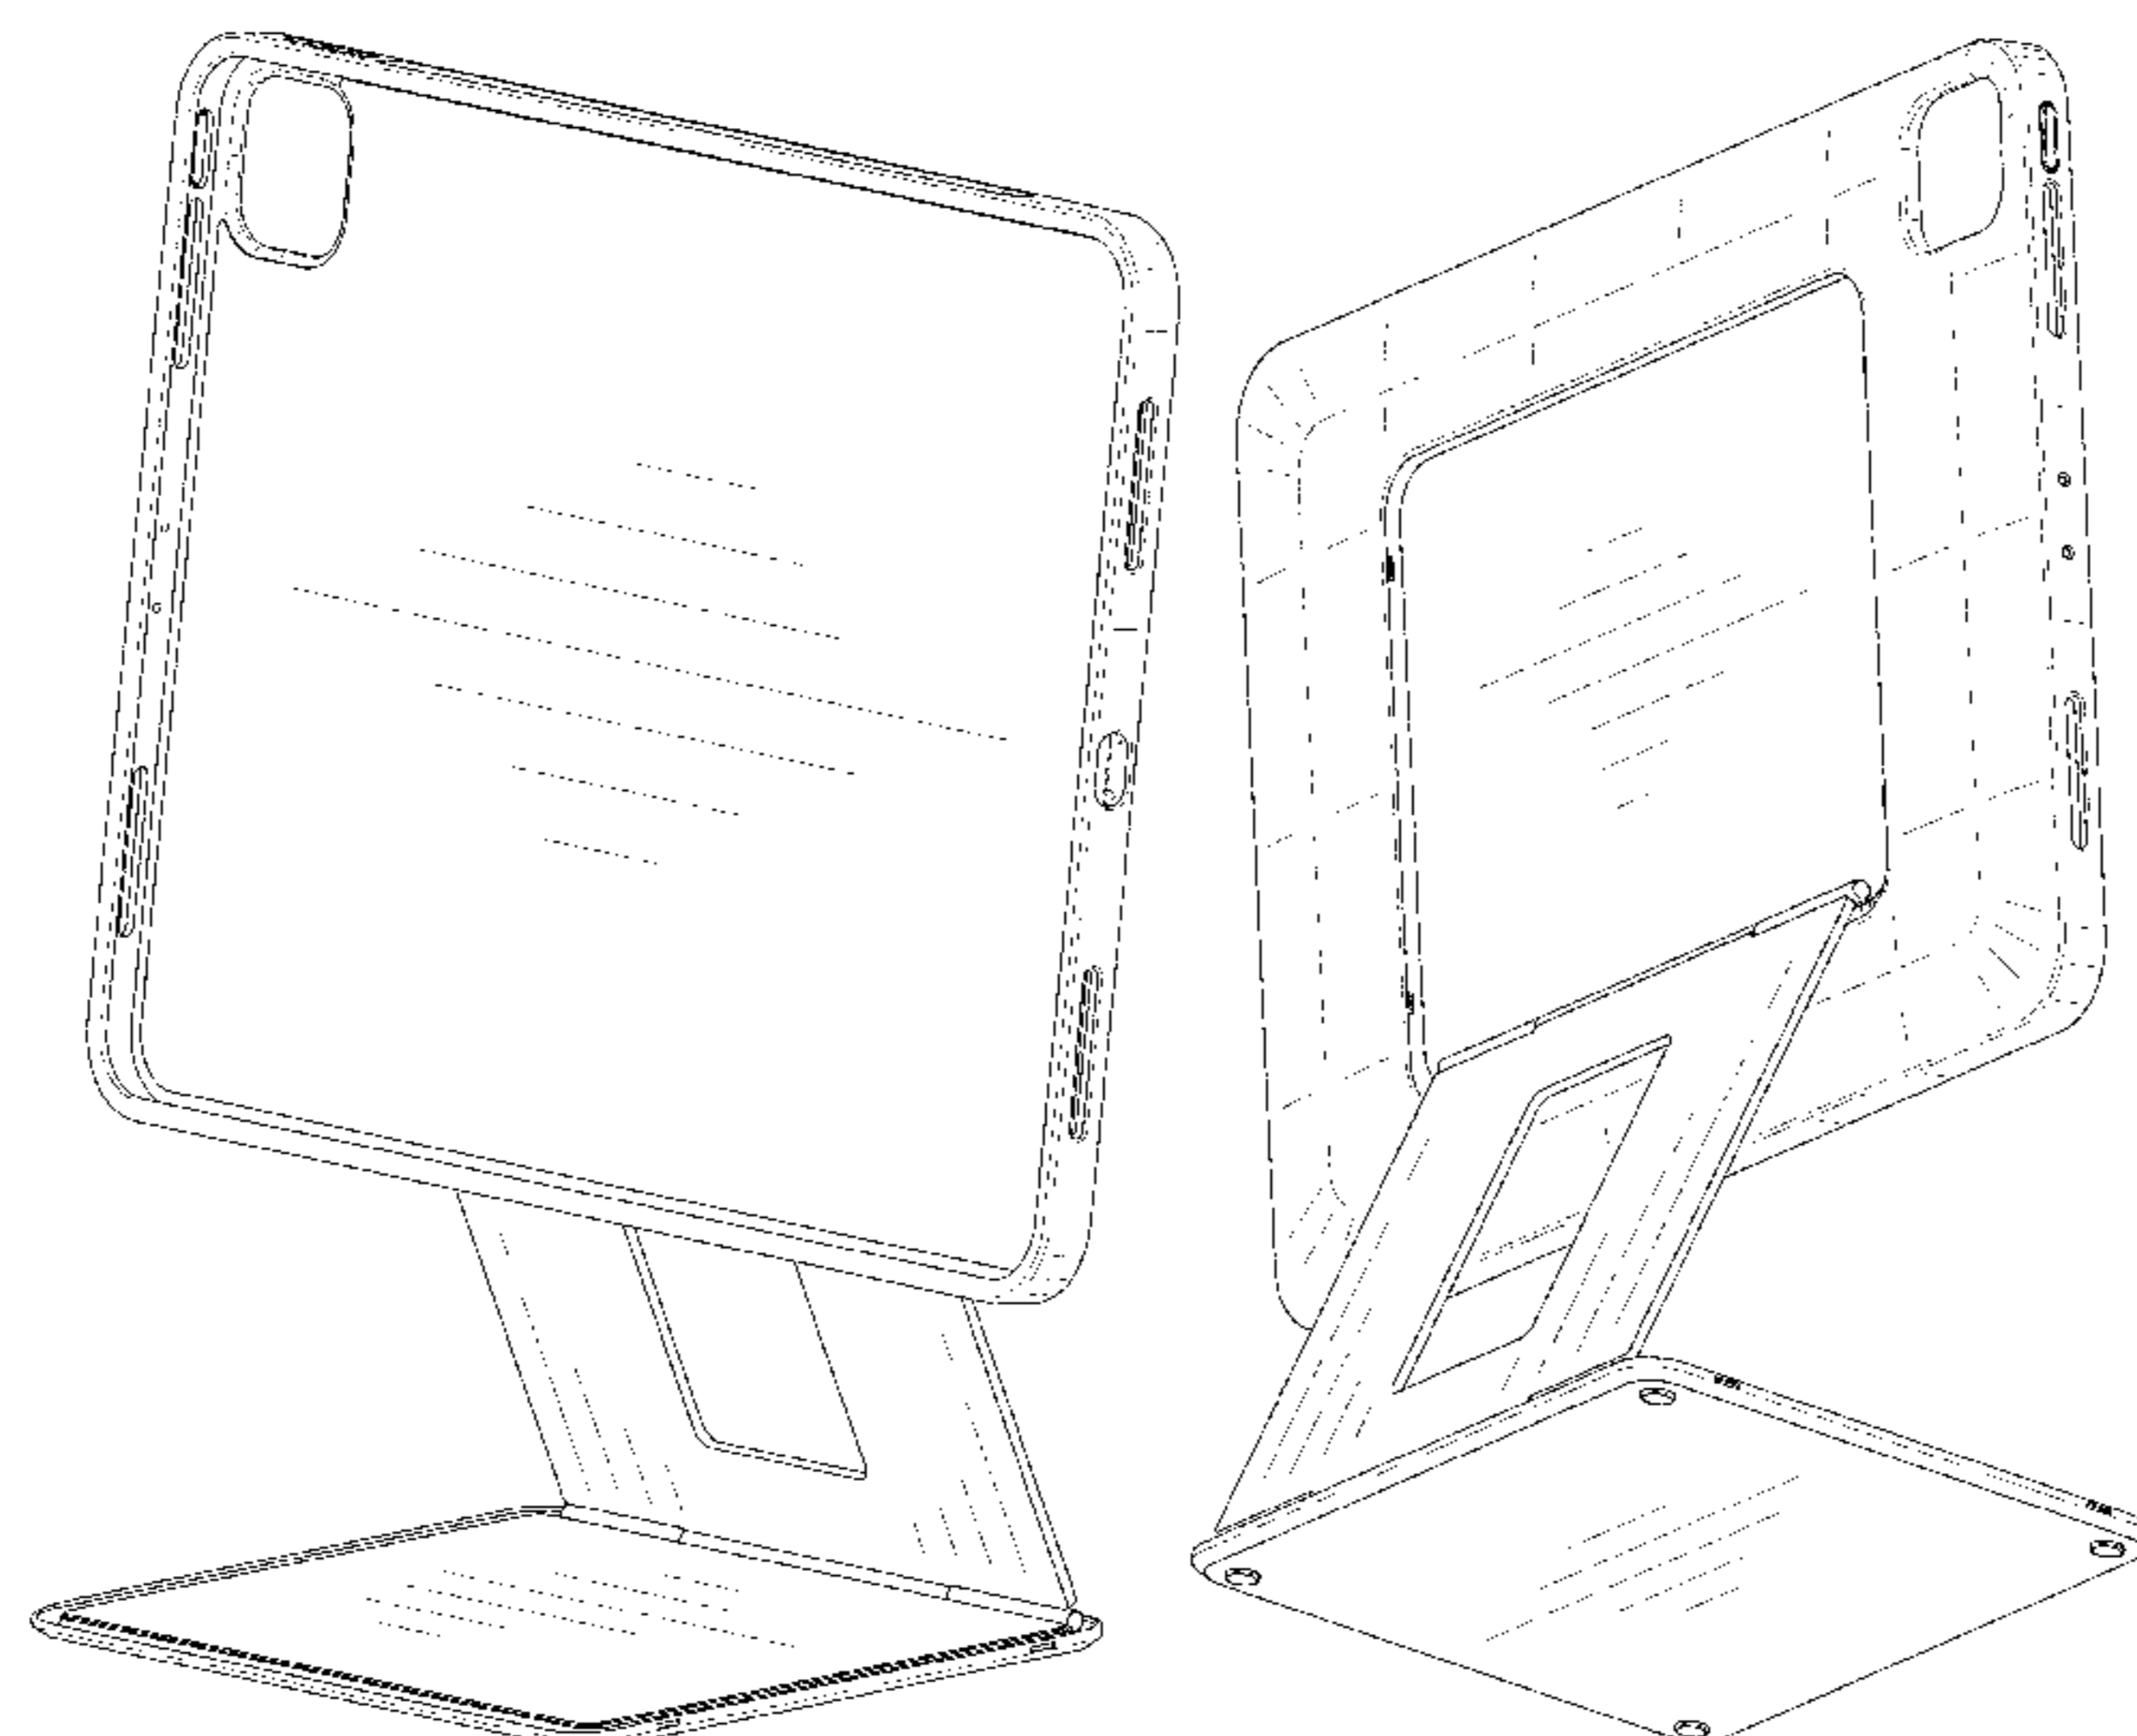

FIG. 11 is a perspective view showing a third alternative configuration where the support for electric devices is fully folded;

FIG. 12 is a perspective view of the support for electric devices showing environmental context; and,

FIG. 13 is another perspective view of the support for electric devices thereof.

In the drawings, the broken lines are for the purpose of showing portions of the design and environmental structure that form no part of the claimed design.
