(57) **CLAIM**

The ornamental design for a windshield washer fluid dispensing machine for service station, as shown and described.

DESCRIPTION

1.1: is a perspective side view of the windshield washer fluid dispensing machine for service station according to the present invention;
1.2: is a right view of the windshield washer fluid dispensing machine for service station of Figure 1.1;
1.3: is a top view of the windshield washer fluid dispensing machine for service station of Figure 1.1;
1.4: is a perspective front view of the windshield washer fluid dispensing machine for service station of Figure 1.1; and
1.5: is a front view of the windshield washer fluid dispensing machine for service station of Figure 1.1.
The portion of the windshield washer fluid dispensing machine for service station shown in broken lines form no part of the claimed.
