(57) **CLAIM**

The ornamental design for a transparent garbage bag with printed design, as shown and described.

DESCRIPTION

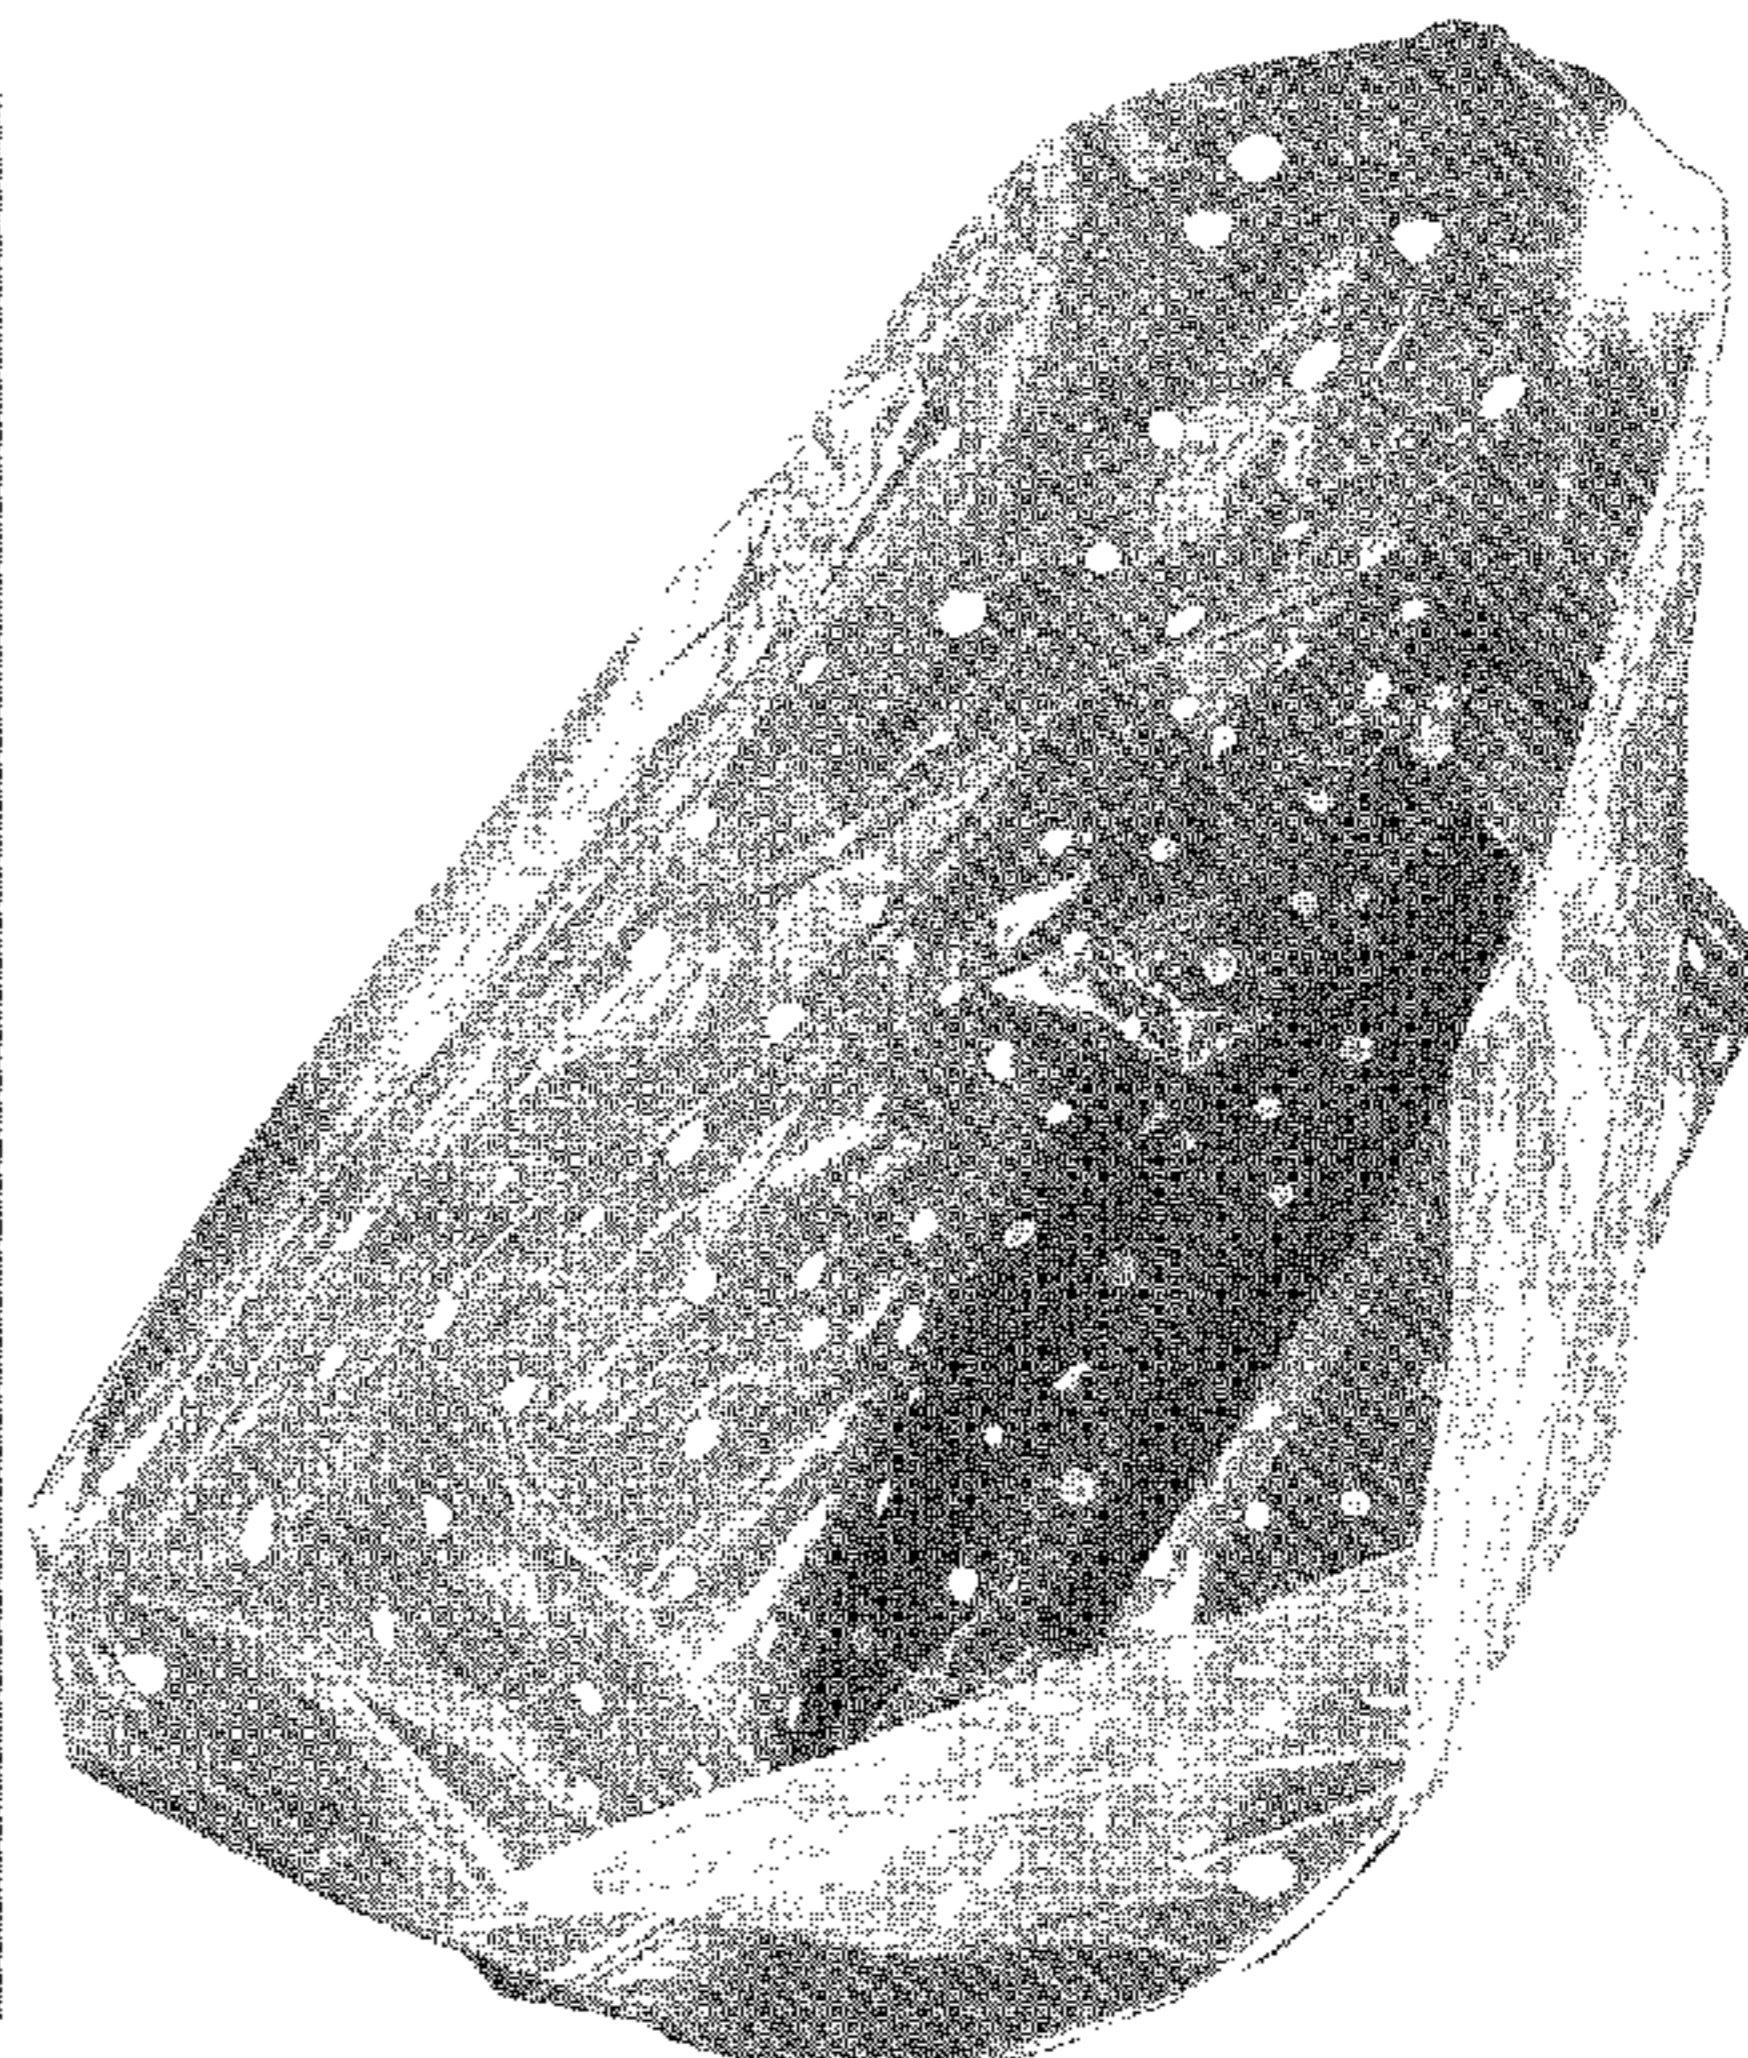

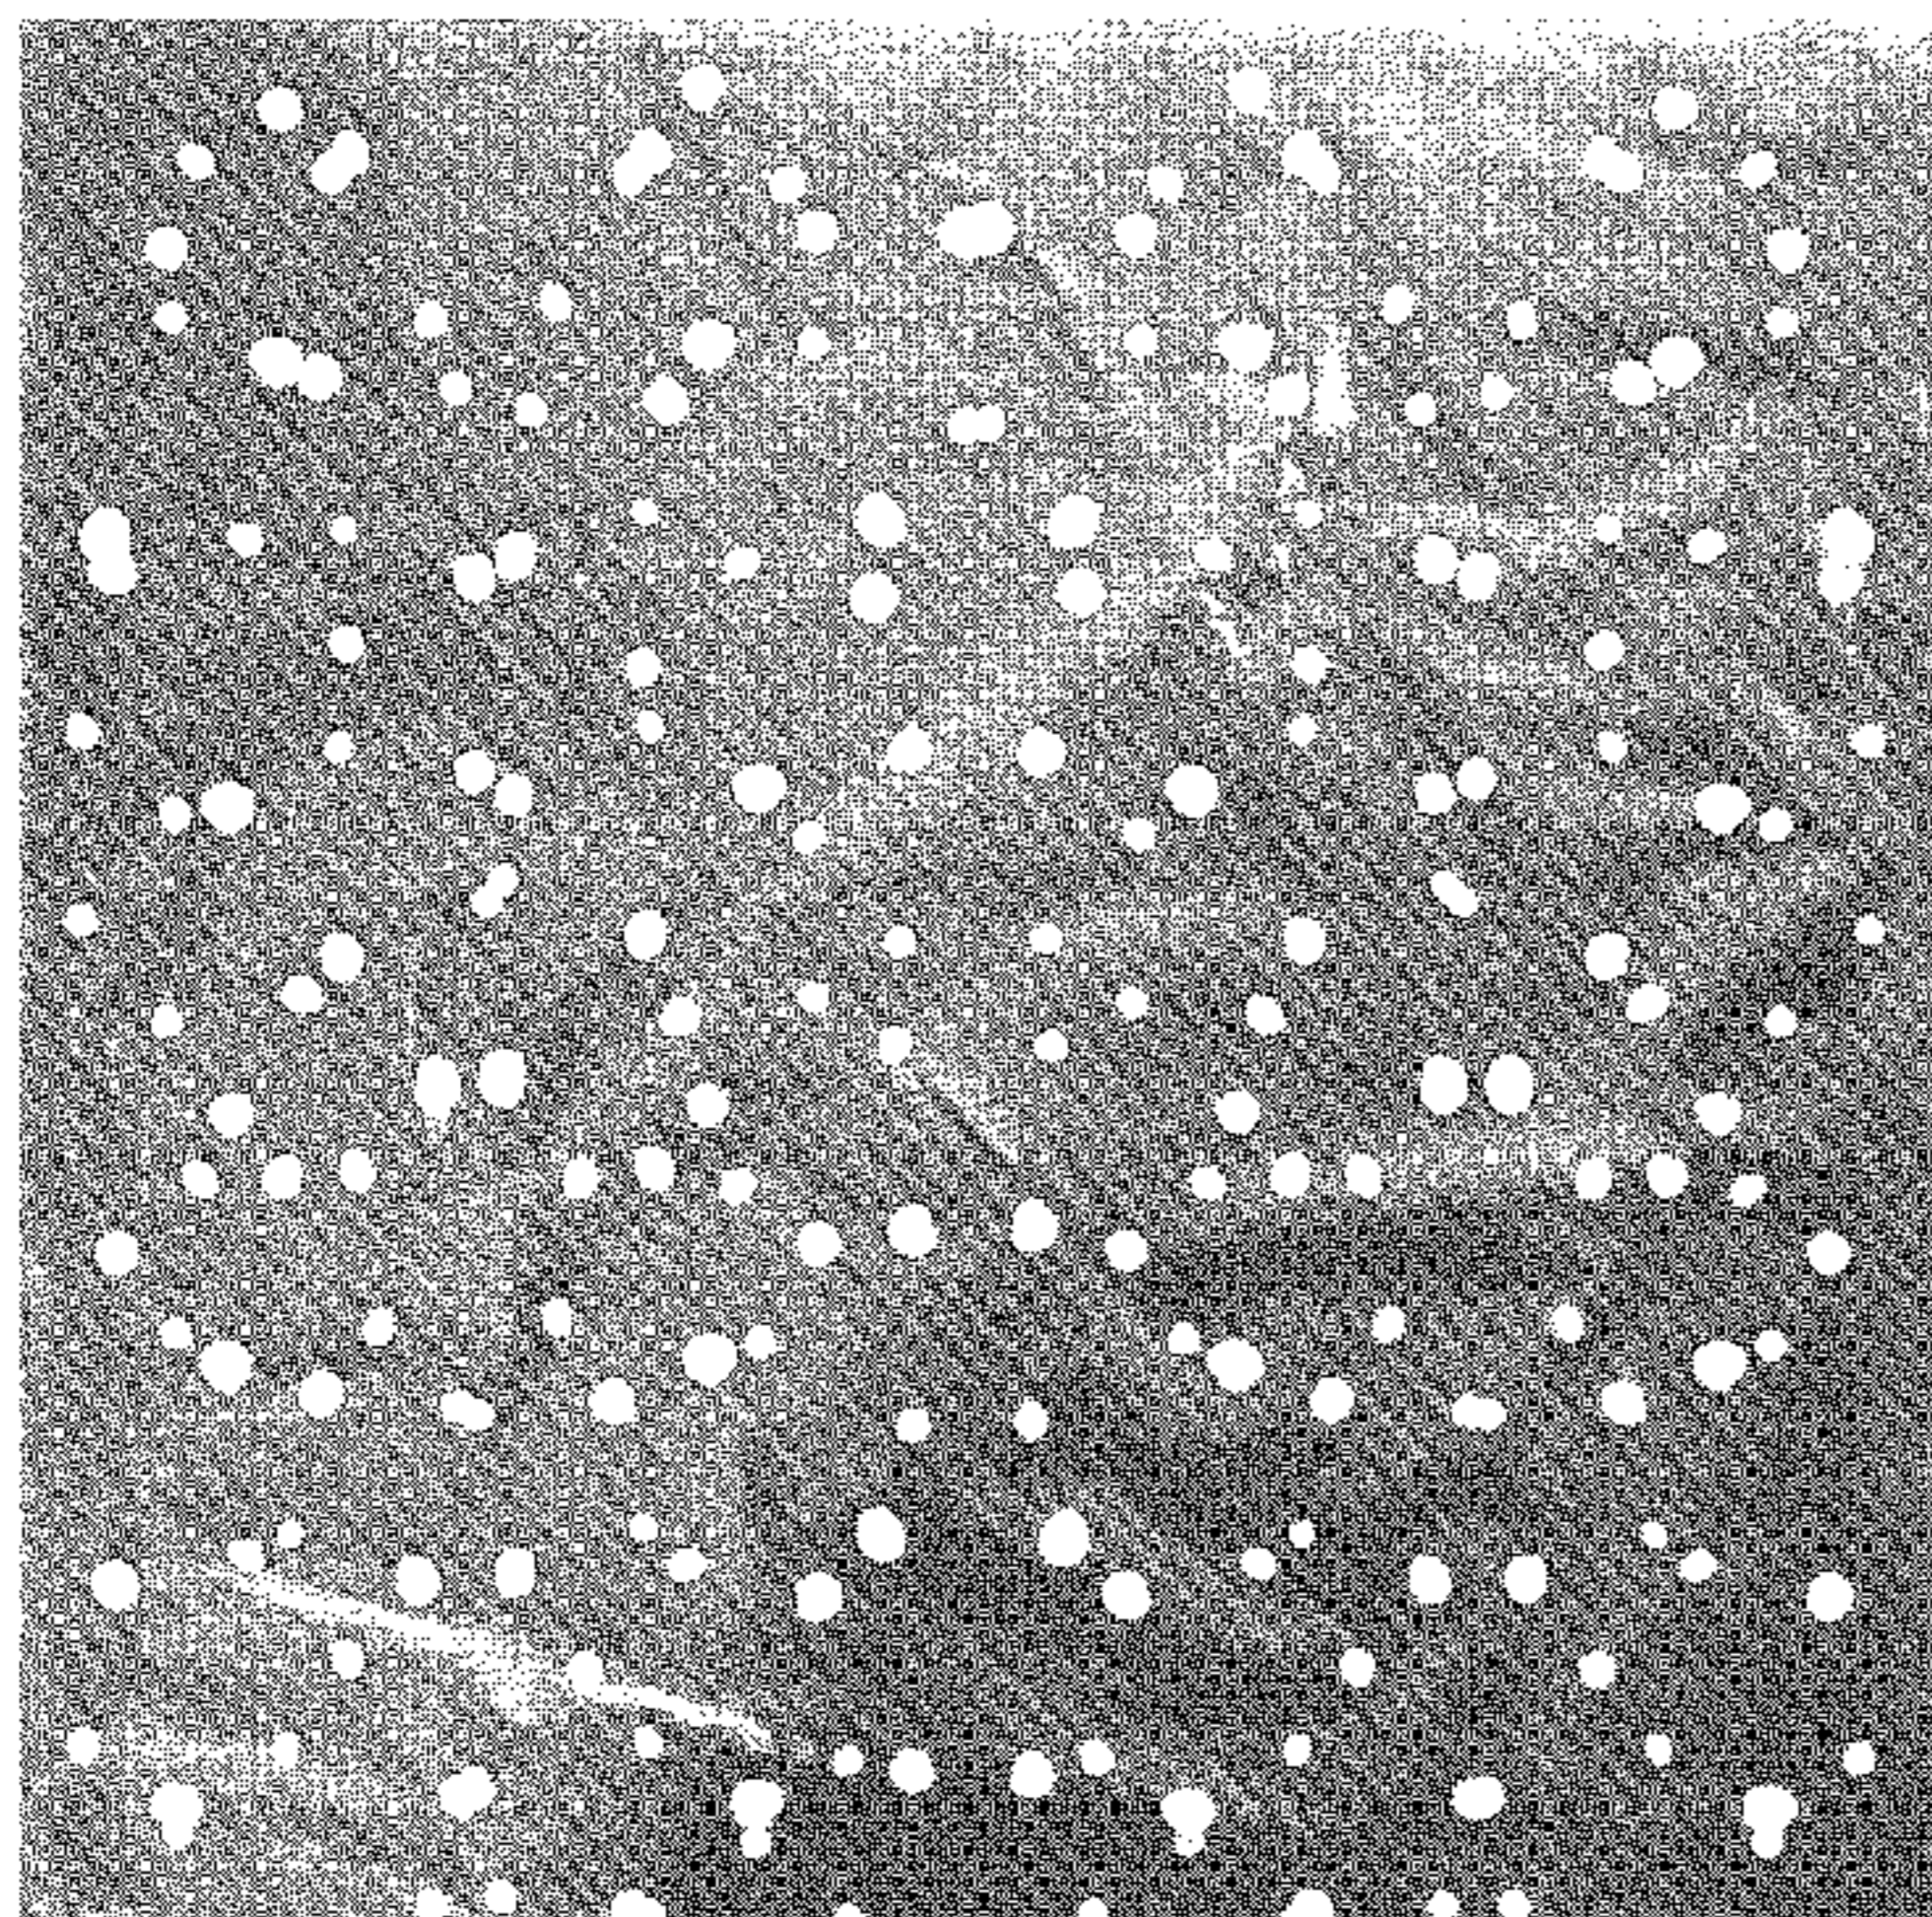

FIG. 1 is a front view of the flat transparent garbage bag with printed design my new design;

FIG. 2 is a side perspective view thereof, the transparent garbage bag with printed design in an expanded form which is also rolled back at the top; and,

FIG. 3 is a top view thereof.

The flat transparent garbage bag as shown in FIG. 1 has no appreciable depth or thickness. The garbage bag comprises a transparent smooth material with printed dots as surface ornamentation. Visible dark areas and mesh texture visible in the background of the photographs do not reflect the appearance the transparent garbage bag and form no part of the claimed design.
