(57) **CLAIM**

The ornamental design for a display screen with graphical user interface for an infusion device, as shown and described.

DESCRIPTION

The Sole FIGURE is a front view of a display screen with graphical user interface for an infusion device, showing our new design.

The outermost broken-line shows the perimeter of a display screen or portion thereof and forms no part of the claimed design. The remaining broken lines illustrate portions of a graphical user interface and form no part of the claimed design.

1 Claim, 1 Drawing Sheet
