(57) **CLAIM**

The ornamental design for a calendar set, as shown and described.

DESCRIPTION

The patent or application file contains at least one drawing executed in color. Copies of this patent or patent application publication with color drawing(s) will be provided by the Office upon request and payment of the necessary fee.

FIG. 1 is a front elevational view of the calendar set arranged with the first through third calendar month pages arranged together as a group.

FIG. 2 is a front elevational view of the first calendar month page.

FIG. 3 is a front elevational view of the second calendar month page; and,

FIG. 4 is a front elevational view of the third calendar month page.

The broken lines showing in FIG. 1 through FIG. 4, indicating areas that would contain day, week, and month specific text, form no part of the claimed design.

The calendar set has no appreciable thickness.
