(57) **CLAIM**

The ornamental design for a calendar, as shown and described.

DESCRIPTION

The patent or application file contains at least one drawing executed in color. Copies of this patent or patent application publication with color drawing(s) will be provided by the Office upon request and payment of the necessary fee. The sole drawing is a front elevational view of the calendar. The broken lines showing in the FIGURE, indicating areas containing day, week, and month specific text, form no part of the claimed design. The calendar has no appreciable thickness.
