CLAIM

The ornamental design for a heat press stand, as shown and described.

DESCRIPTION

FIG. 1 is a front, right, top isometric view of the heat press stand;

FIG. 2 is a front elevation view of the heat press stand, the rear elevation view being a mirror image of the front elevation view;

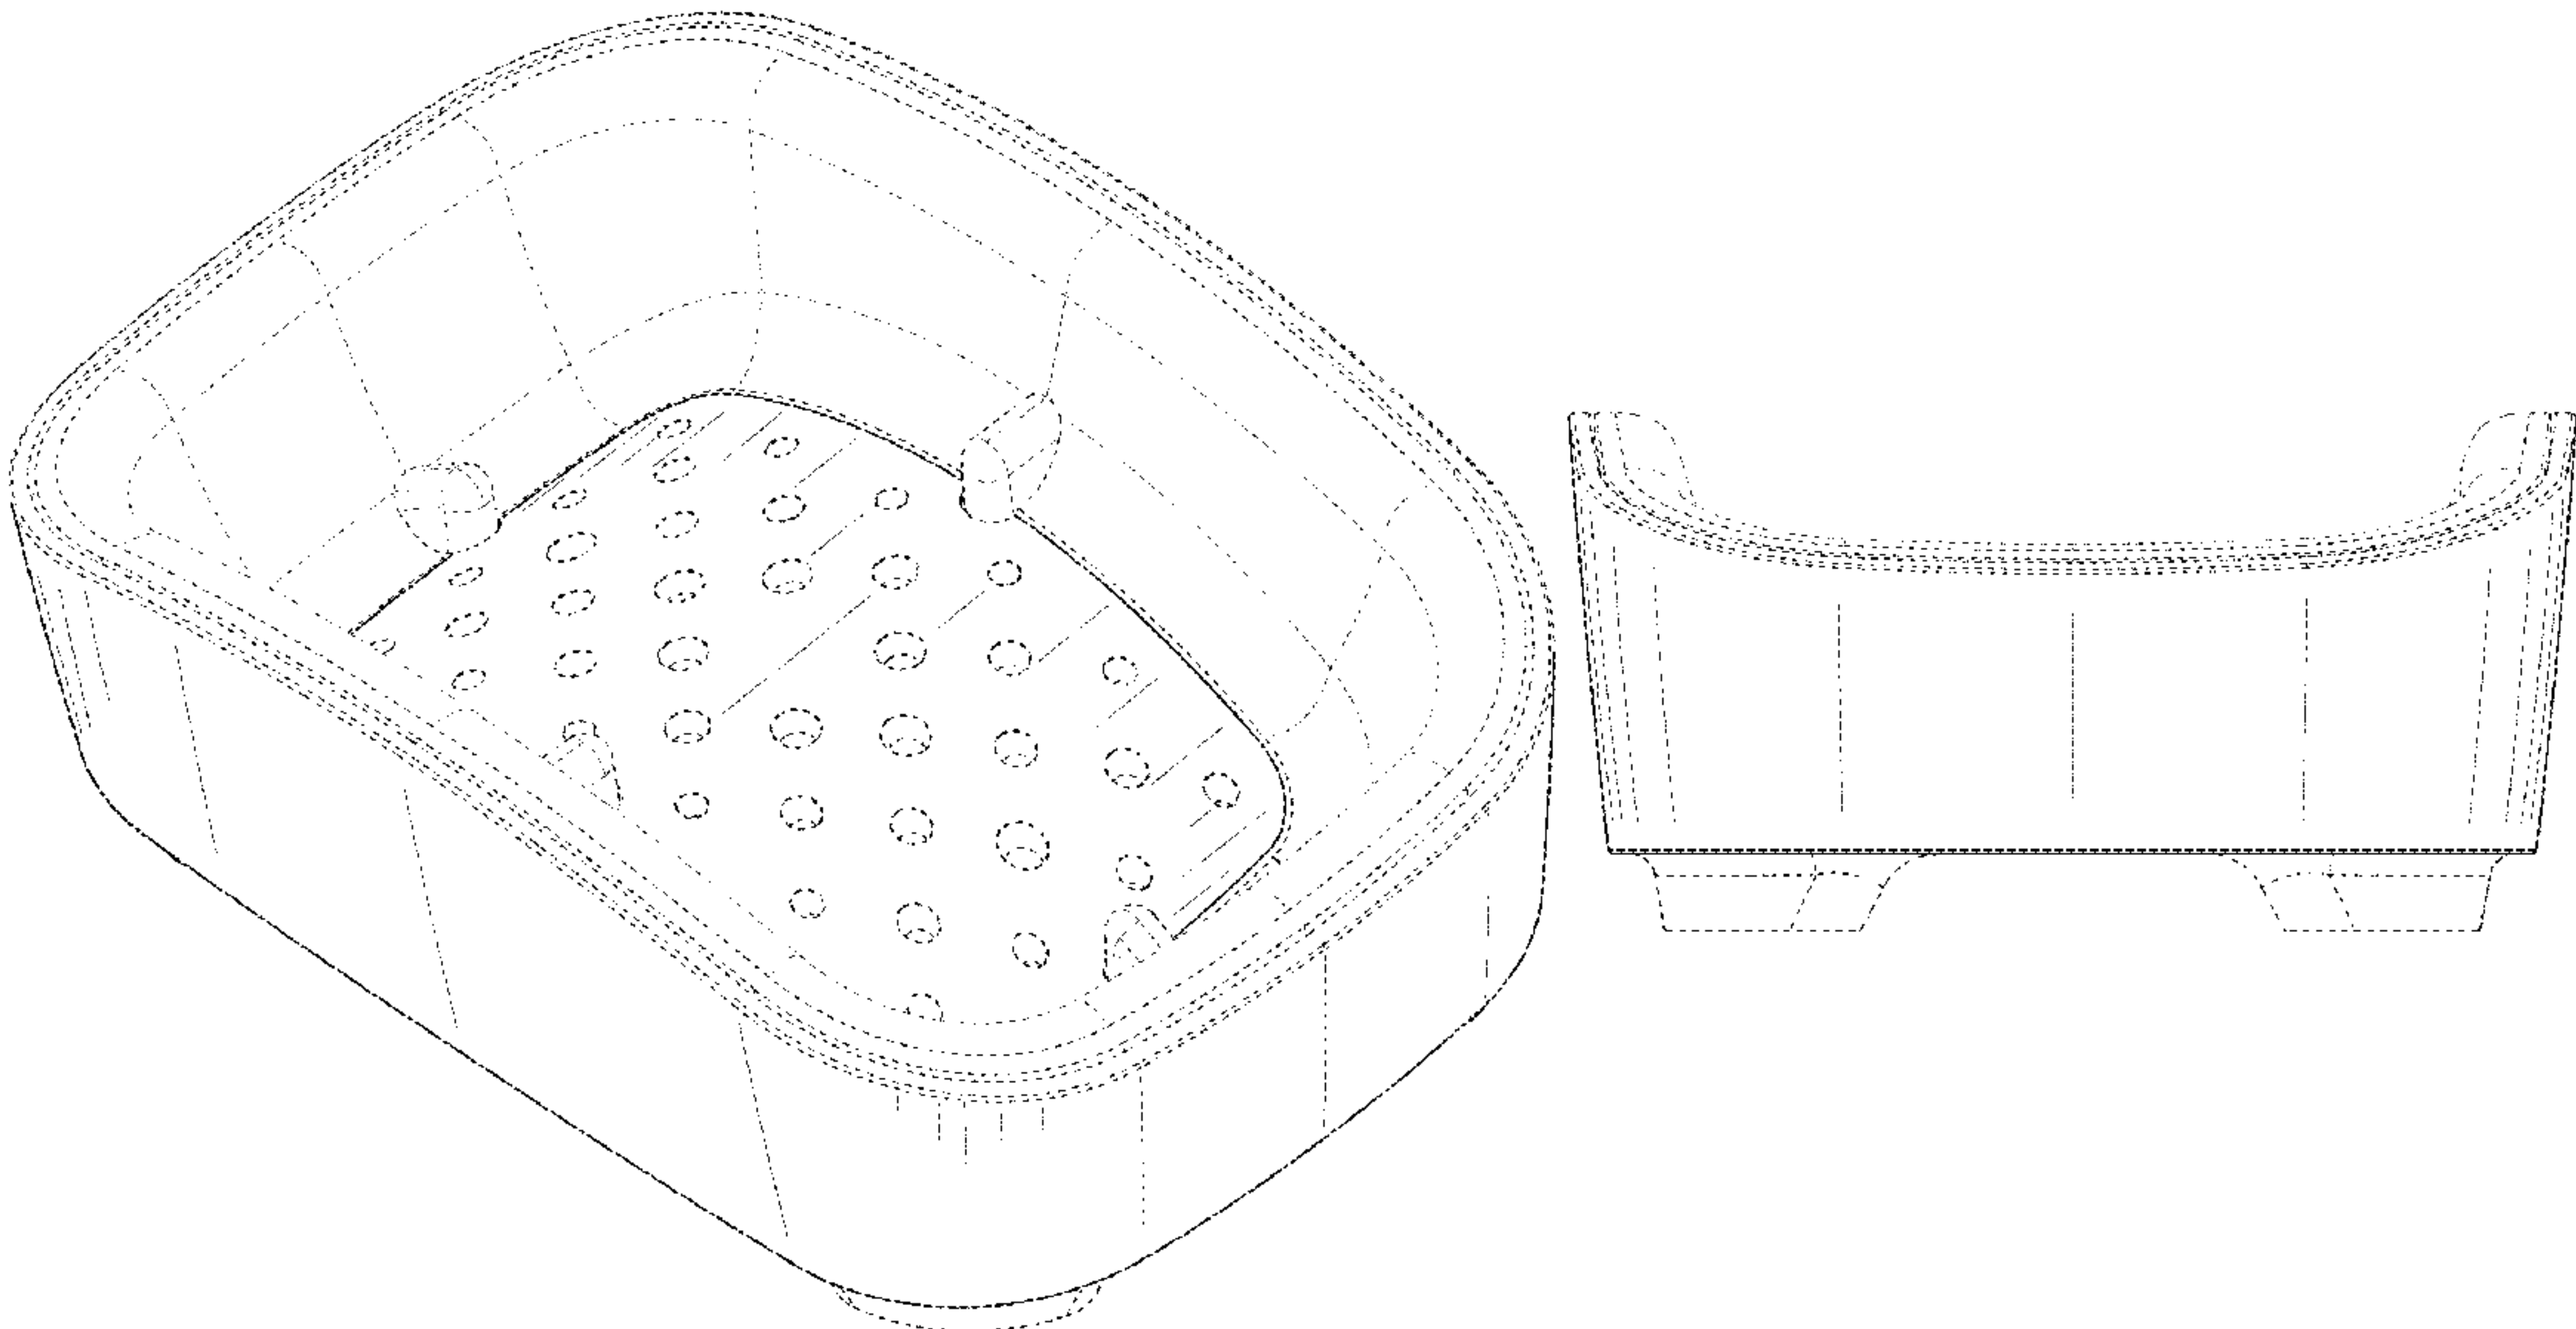

FIG. 3 is a left side elevation view of the heat press stand, the right side elevation view being a mirror image of the left side elevation view;

FIG. 4 is a top plan view of the heat press stand; and,

FIG. 5 is a bottom plan view of the heat press stand.

The broken lines immediately adjacent to the shaded areas depict the bounds of the claimed design, while all other broken lines are directed to portions of the heat press stand that form no part of the claimed design.

1 Claim, 5 Drawing Sheets
