(57) **CLAIM**

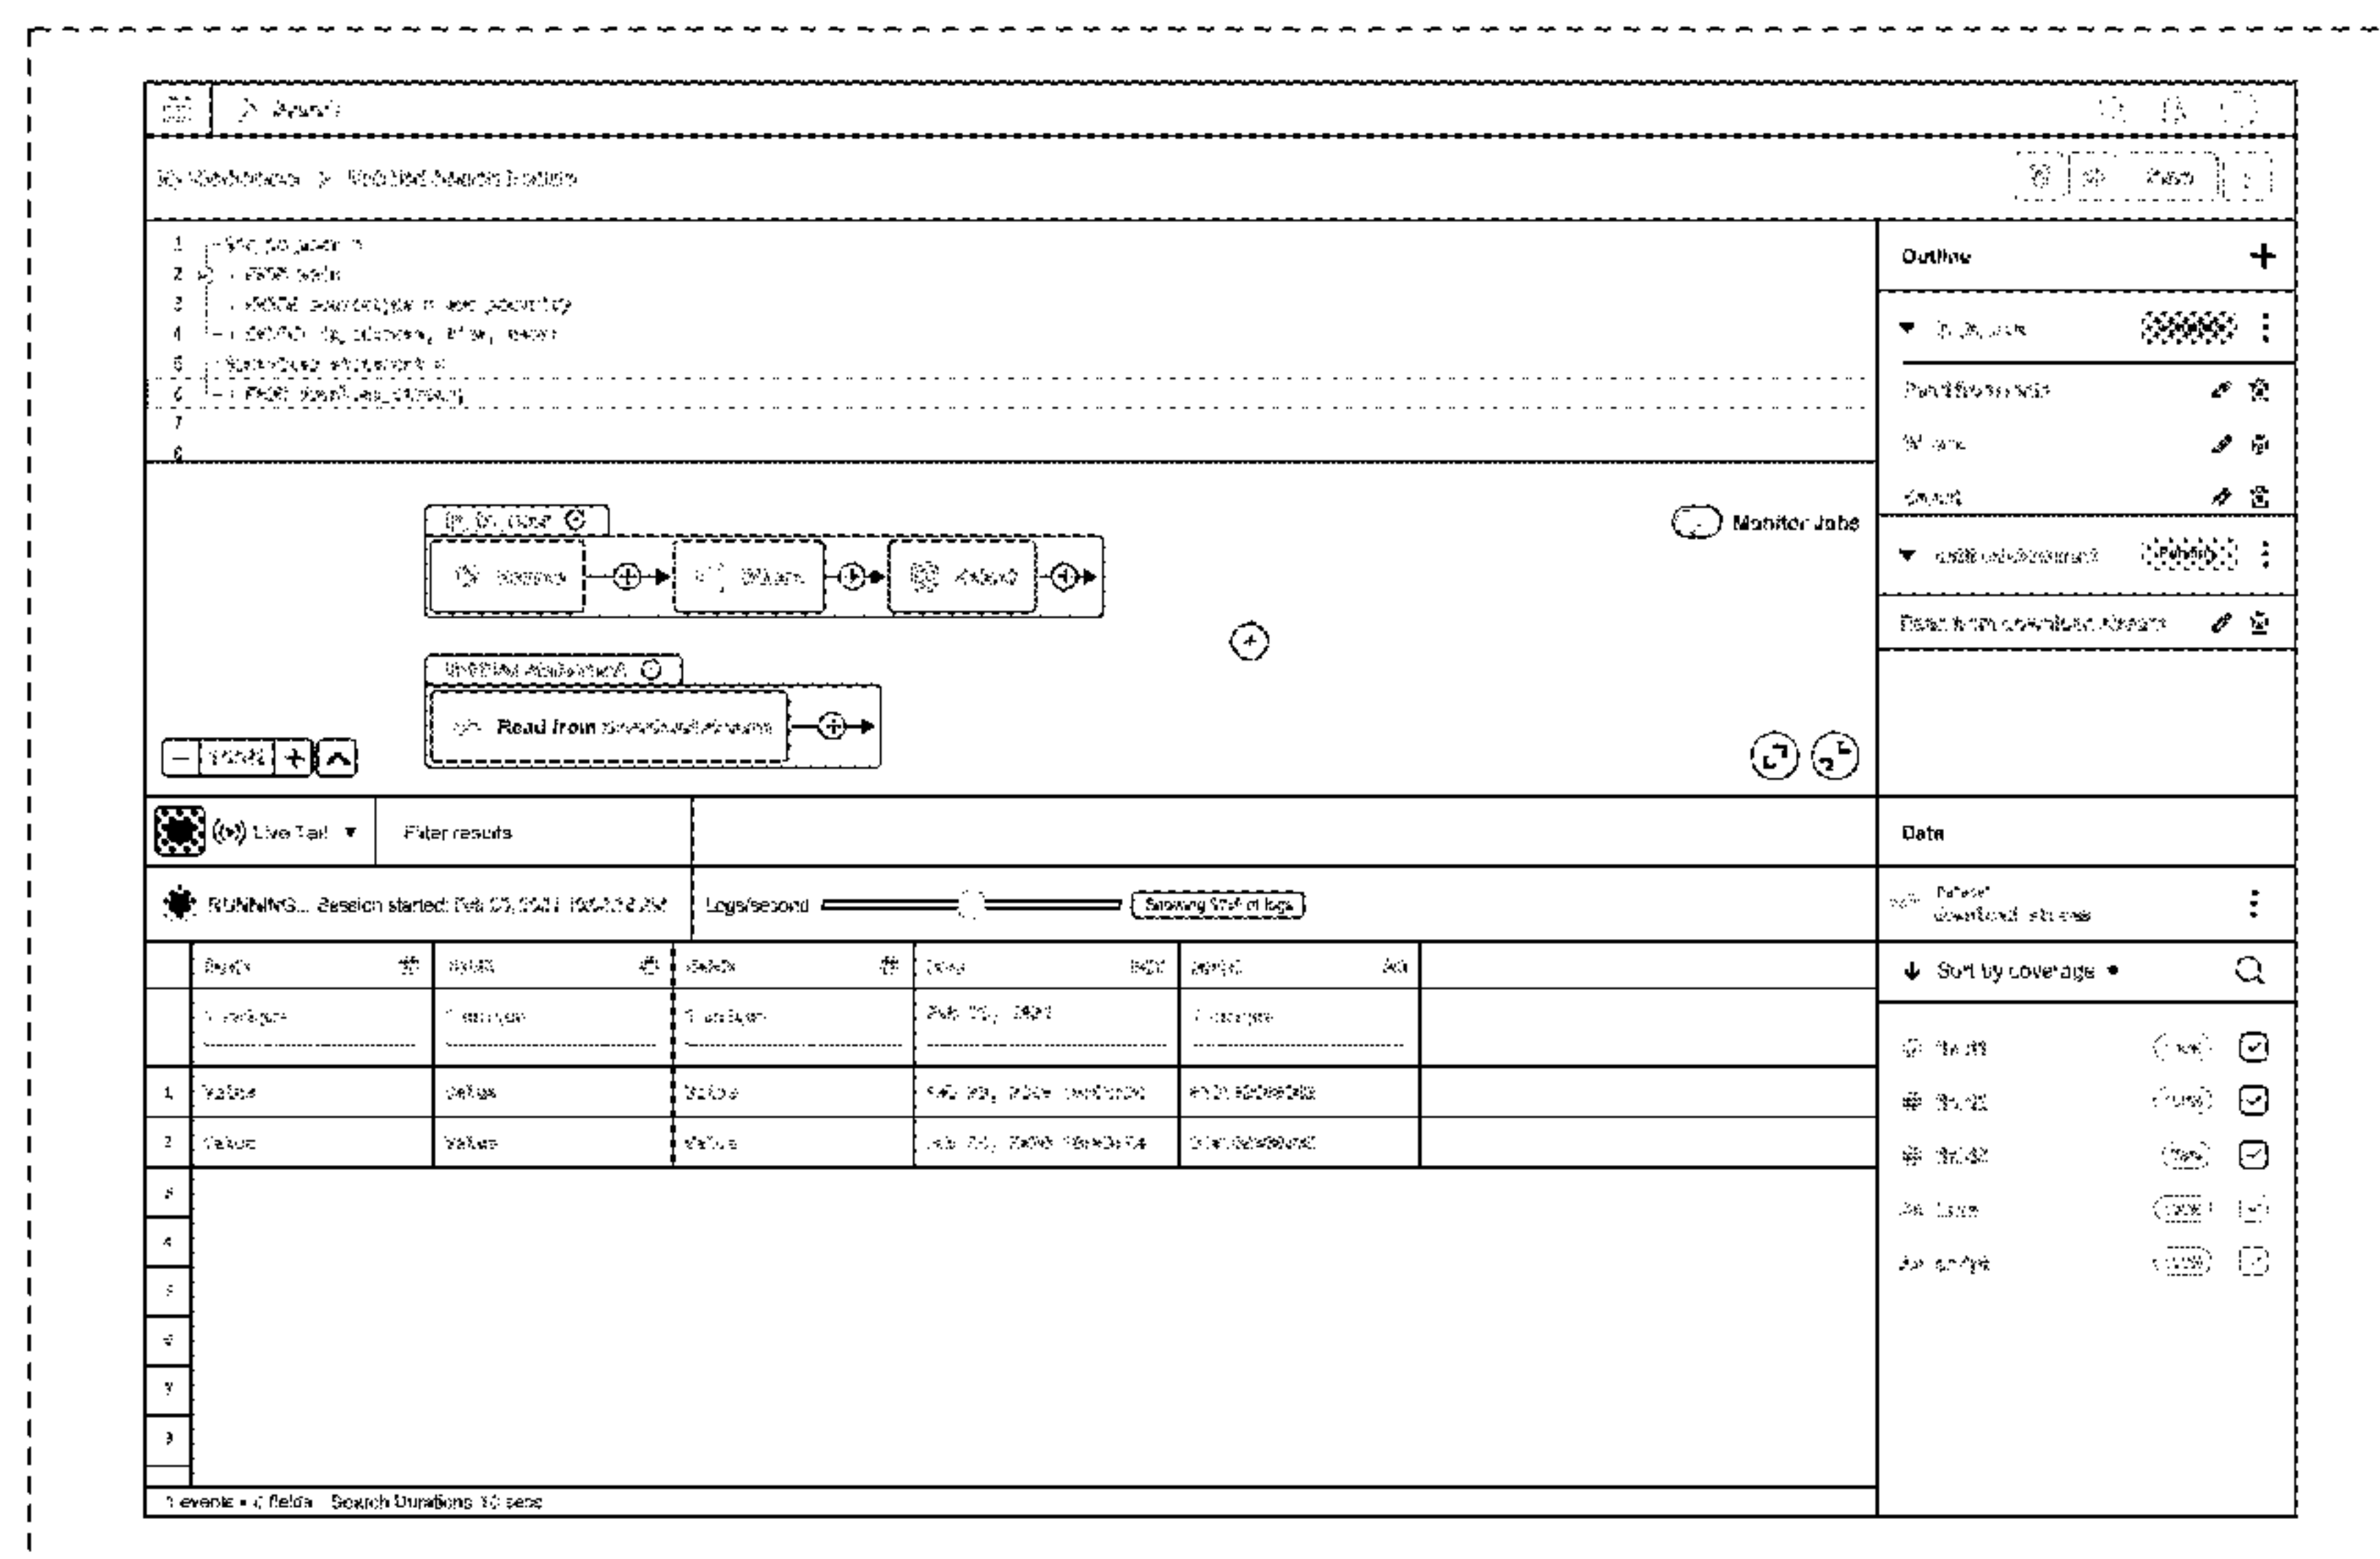

The ornamental design for a display screen or portion
thereof having a graphical user interface, as shown and
described.

DESCRIPTION

The sole FIGURE is a front view of a display screen or
portion thereof having a graphical user interface showing
my new design.

The outermost broken-line rectangle depicts the perimeter of
a display screen or portion thereof having a graphical user
interface and forms no part of the claimed design. The
remaining broken lines depict portions of a graphical user
interface and form no part of the claimed design.
