DESCRIPTION

FIG. 1 is a perspective view of a water pipe, showing my design, *the broken lines are for purposes of illustration only and form no part of the invention*;

FIG. 2 is a side elevational view, the opposite side being a mirror image thereof, *the broken lines are for purposes of illustration only and form no part of the invention*;

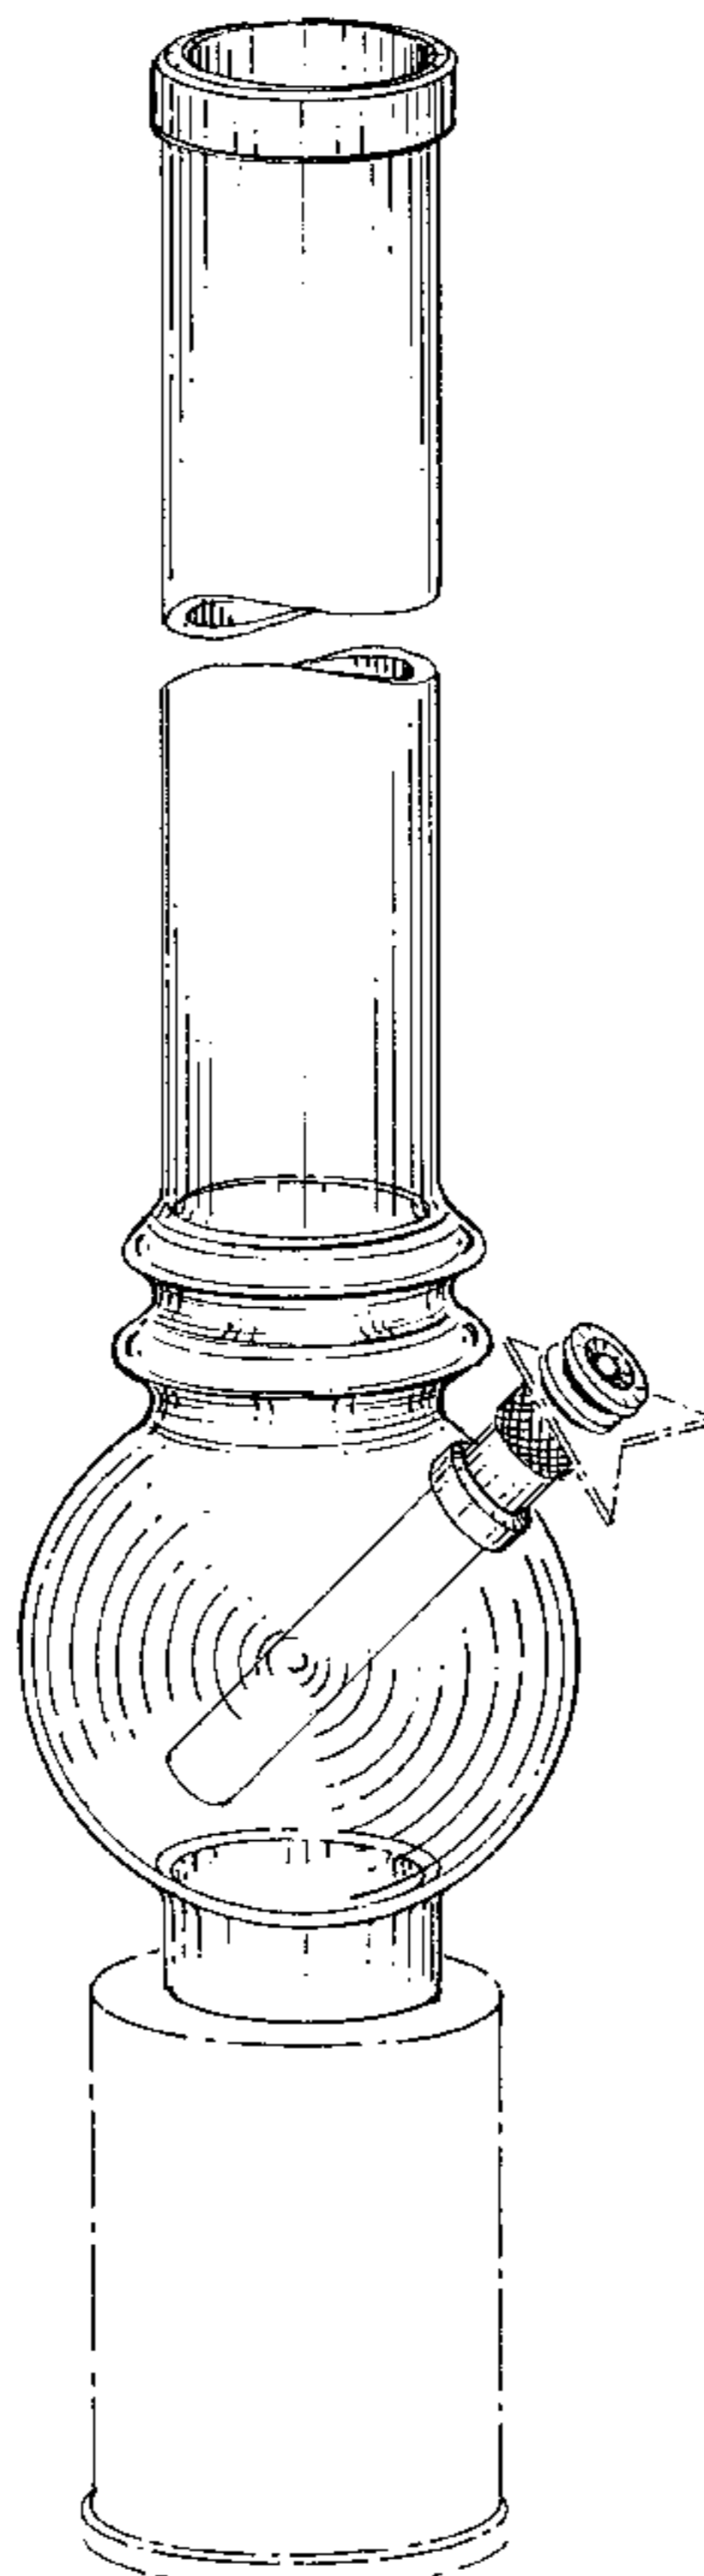

FIG. 3 is a front elevational view thereof, *the broken lines are for purposes of illustration only and form no part of the invention*; and,

FIG. 4 is a top plan view thereof, *the broken lines are for purposes of illustration only and form no part of the invention*.

The undisclosed bottom plan view is planar and unornamented.
