LLP

The ornamental design for a water pipe, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a water pipe, showing my design, the broken lines are for purposes of illustration only and form no part of the invention;

FIG. 2 is a side elevational view, the opposite side being a mirror image thereof, the broken lines are for purposes of illustration only and form no part of the invention;

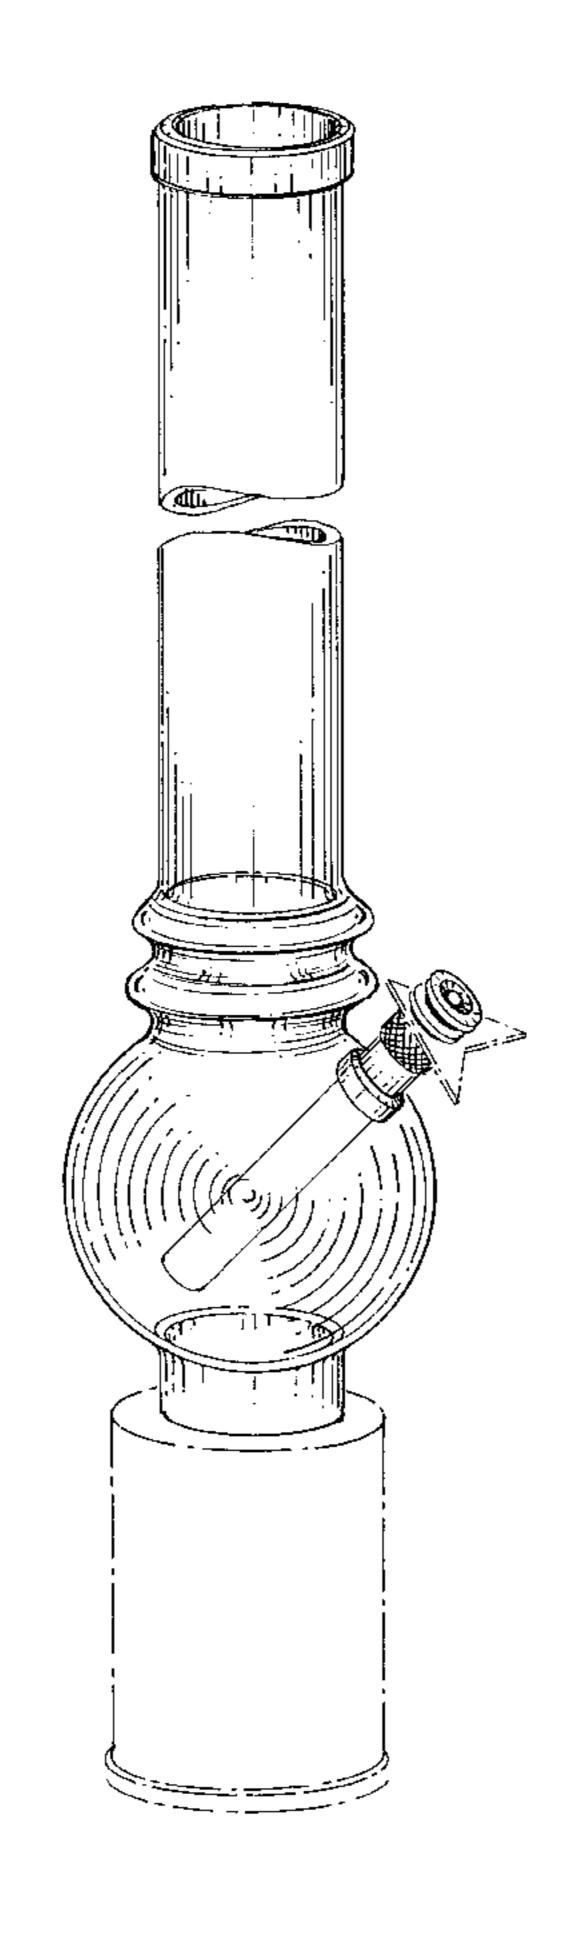

FIG. 3 is a front elevational view thereof, the broken lines are for purposes of illustration only and form no part of the invention; and,

FIG. 4 is a top plan view thereof, the broken lines are for purposes of illustration only and form no part of the invention.

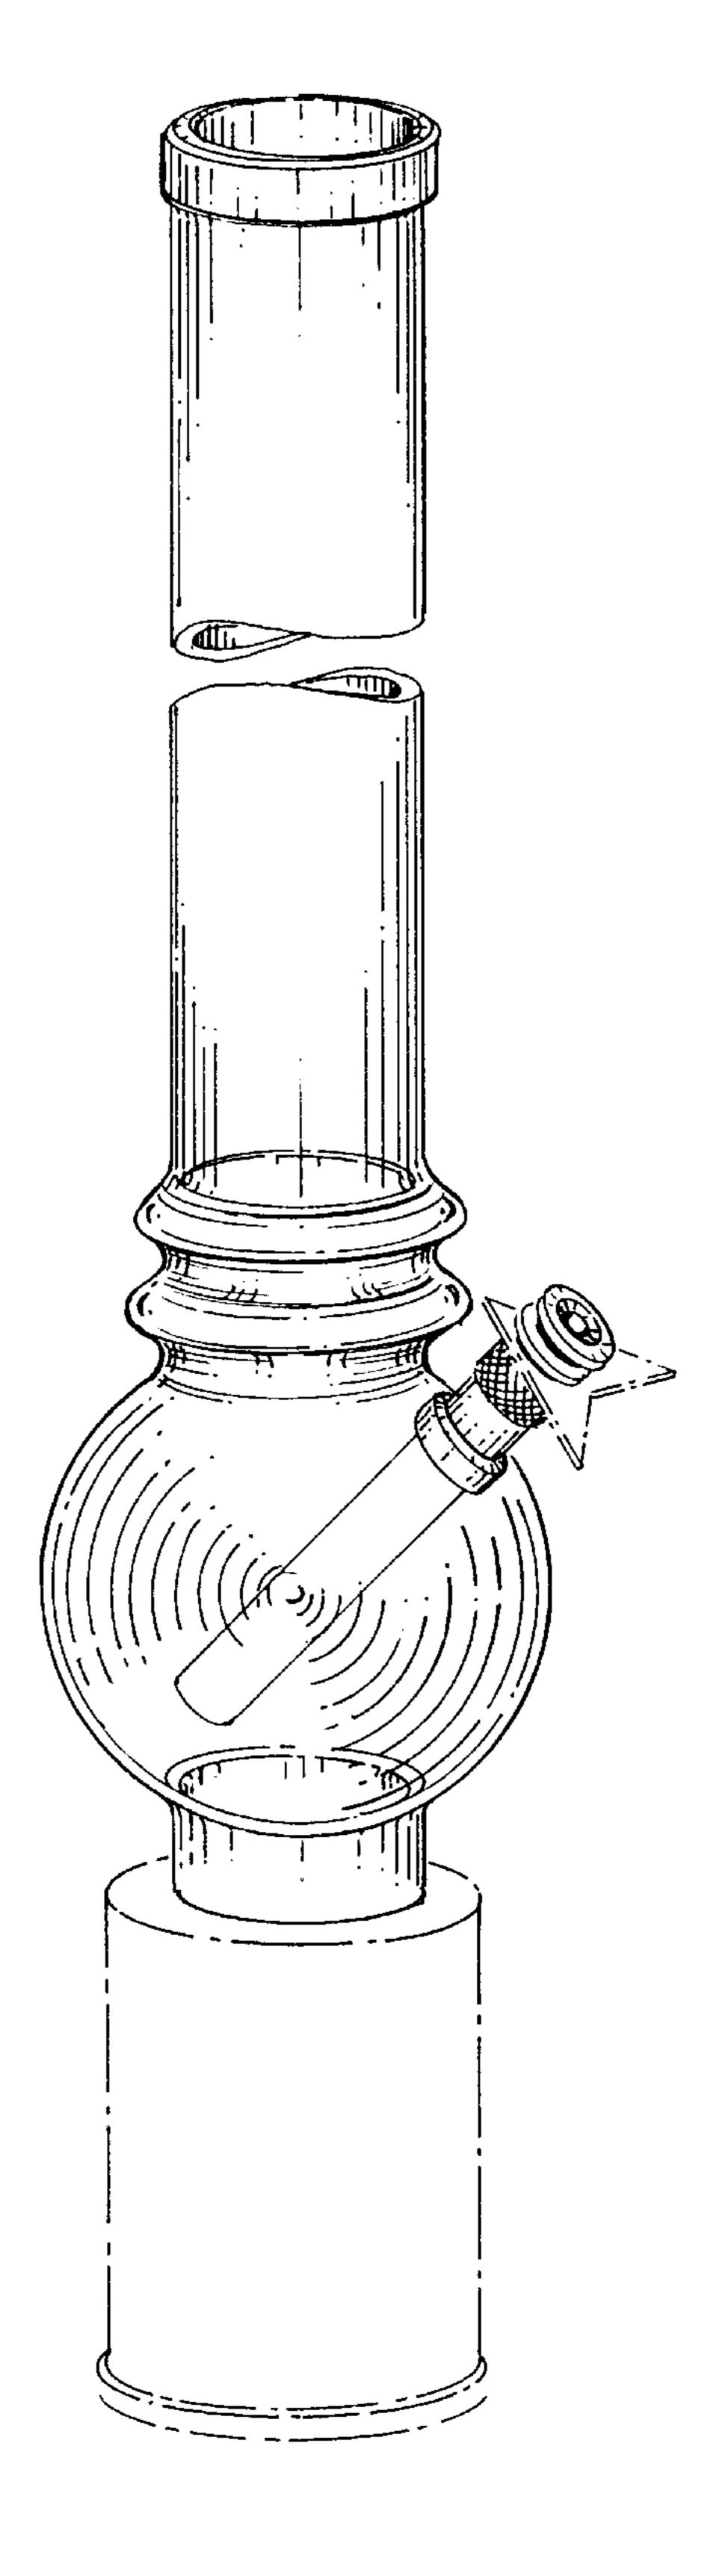

The undisclosed bottom plan view is planar and unornamented.
