FIG. 1 is a front perspective view of the lighting fixture track system;

FIG. 2 is a rear perspective view of the lighting fixture track system;

FIG. 3 is a first side elevational view of the lighting fixture track system;

FIG. 4 is a second side elevational view of the lighting fixture track system;

FIG. 5 is a third side elevational view of the lighting fixture track system;

FIG. 6 is a fourth side elevational view of the lighting fixture track system;

FIG. 7 is a plan view of the lighting fixture track system; FIG. 8 is a perspective view of a second embodiment of the lighting fixture track system, the second embodiment differing from the first only by the omission of the square plate from the end of the track; and,

FIGS. 9-11 are enlarged, fragmentary perspective views of portions of the track common to both embodiments, the track being fragmentarily shown for convenience of illustration.
